RAMON L. FERNANDEZ

City Housing Board
Cagayan de Oro City

Dear Mr. Fernandez,

Kalinaw!

This has reference to the Cagayan de Oro Resettlement and Socialized Housing Project – 5 (CDORSHP – 5) located at Barangay San Simon, this City. The said housing project was approved last July of 2020 through City Ordinance No. 13916-2020. Furthermore, the same housing project was engaged with National Housing Authority (NHA) through their Resettlement Assistance Program for Local Government Units which a Memorandum of Agreement was signed and executed last April 2021.

In view hereof, we would like to request for a referendum with sense of urgency on our application for Alteration of Plan for the said socialized housing project, subject to your review and approval. Moreover, recognizing the vital role of the board's endorsement for its approval, we are also fast tracking this for our engagement with the BALAI program of the DHSUD and currently undertaking with SMDC as our partner developer for the land development of which we are looking forward to forged a Memorandum of Agreement by June 2021. Attached to this letter is our application documents for your perusal.

Rest assured that we are complying with the standards set forth by governing laws for socialized housing development. Looking forward to your kind consideration regarding this request.

Thank you very much.

THE HONORABLE CITY COUNCIL
City Hall
Cagayan de Oro City
(Attention: Chief, Legislative Support Services Division)

Greetings:

This office is respectfully pleased and much grateful for the invitation to submit these comments and recommendations relative to the proposed City Ordinance on establishing and designating motorcycle lanes in major thoroughfares in the City. Our continued partnership and united effort in transport regulation will hopefully bring about much improvement in fostering safety and order in our public roads for the general welfare of our constituency.

1. While the ordinance is chiefly about lanes for motorcycles and penalizing lane splitting and lane filtering, it may be advisable to include a separate provision (separate Section) to reiterate the policy and mandate under R.A. No. 10054 for the requirement that: ***All motorcycle riders, including drivers and back riders, shall at all times wear standard protective motorcycle helmets while driving, whether long or short drives, in any type of road and highway. The helmets shall comply with the specifications of the Department of Trade and Industry and shall bear the PS or ICC mark.***

   The reason for the added provision (separate Section) is to have legal consistency with the policy thrust to put premium value on safety of the motorist and the passenger.

2. In accordance with the prevailing concern for safety on the road that discourages the outdated use of the term "accident" in favor of the pertinent term of road crash, it is suggested that the ordinance use the term road crash instead of accident. The present consensus is that crash denotes lack of care on the part of the road user which should be our overriding concern, while the term "accident" may provide an excuse, however unjustifiable, for the negligent offender to escape or evade liability for the negligence that has brought about the road crash.

3. Moreover, it may be appropriate to have a separate provision (additional Section) that the penalty to be imposed for the violation of the ordinance (lane splitting and lane filtering) is without prejudice to the administrative, criminal and civil liabilities that may arise from the negligence of the motorist, as well as liability for violations of other laws. The imposition of the criminal and civil liabilities are the concern of the Prosecutor (DOJ) and/or the offended party/victim. Administrative agencies such as the LTO will exact the administrative liability for violations of laws they administer.

With the foregoing, it is fervently hoped that this new legislation will be contributory to uphold the general welfare of our community.

Very truly yours,

HON. TEODULFO E. LAO, JR.
City Councilor
Chairman, Committee on Public Utilities
City Council of Cagayan de Oro
Legislative Bldg., City Hall

Dear Sir,

GREETINGS!

This is as regards the matters discussed during the meeting of the Committee on Public Utilities of the City Council last 27 September 2019 relative to the Proposed Ordinance Establishing and Designating Motorcycle Lanes in major thorough fares in the City.

In this connection, the following observations and recommendations are respectfully forwarded:

1. For the proposed terms to be included in Section 2 of the draft ordinance, the following terms are defined by law or rules as:

a) Motorcycle- shall mean two-wheeled motor vehicle having one or two riding saddles.[1] *For the purposes of this ordinance, the same shall also include scooters, motorcycles with cab, tri-cabs also known as "bao-bao" and the like.*

b) Public Utility Vehicle- any motorcycle as herein defined with franchises issued by the following granting authorities only: i) the City Government of Cagayan de Oro, ii) the Department of Transportation; and/or iii) the Land Transportation Franchising and Regulatory Board;

c) Motor Vehicles- shall mean any vehicle propelled by any power other than muscular power using the public highways, but excepting road rollers, trolley cars, street-sweepers, sprinklers, lawn mowers, bulldozers, graders, fork-lifts, amphibian trucks, and cranes if not used on public highways, vehicles which run only on rails or tracks, and tractors, trailers and traction engines of all kinds used exclusively for agricultural purposes. Trailers having any number of wheels, when propelled or intended to be propelled by attachment to a motor vehicle, shall be classified as separate motor vehicle with no power rating.[2]

[1] LTO Administrative Order AHS-2008-015, Section 1 paragraph (e)
[2] Republic Act No. 4136, Section 3 paragraph (a)

Should there be other provisions in this section which will be providing presumptions on the negligence of parties involved in an accident or controversy in any lane, then it is imperative that the presumption be *prima facie* so as to give the party against whom such presumption is made an opportunity to refute the same.

In Metro Manila, the Metropolitan Manila Development Authority (MMDA), has allowed motorcycles to deviate from their designated lane under certain parameters[5]. A provision to such effect may also be appended to this proposed ordinance as shown above in paragraph (h). The technical expertise of the RTA may be sought to determine the appropriate distance allowable for motorcycles to shift lanes for such purpose.

3. Section 3 of the proposed ordinance provides the establishment of the motorcycles in the main thoroughfares in the City, such must specifically enumerate the areas where these lanes are to be located. As it is, paragraph (a) of the draft contains an unspecified extent of the motorcycle lane as regards Barangay Bugo.

The said section must also include a paragraph which shall state that the laws, rules, and regulations of implementing agencies of traffic and transportation related laws such as the Department of Transportation (DoTr), Land Transportation Office, Land Transportation Franchising and Regulatory Board (LTFRB), and the Department of Interior and Local Government, among others, shall still be followed in using the established motorcycle lanes.

Another paragraph stating that the motorcycles which are also public utility vehicles must follow the terms and conditions of their franchise. Such that the section will now be restated as:

> "Section 3. Establishment. – The outer lanes parallel and adjacent to the sidewalks/road shoulders of the following major thoroughfares in the City of Cagayan de Oro are hereby designated and established as motorcycle lane, to wit:
>
> a) National (Maharlika) Highway from Kinasanghan, Barangay Iponan to _____, Barangay Bugo;
> b) National Highway from crossing Puerto Flyover to Upper Puerto;
> c) Velez Street from Rodelsa Circle up to Paroal, Puntod area;
> d) Entire stretch of JR Borja Extension;
> e) Entire stretch of Masterson Avenue.
> f) Entire stretch of PN Roa Avenue (Patag road).

---

[5] MMDA Resolution No. 12-01 Series of 2012, Section 3. – Motorcycles and scooters may deviate from the EDSA Motorcycle Lane when making a turn or U-turn at authorized streets or U-turn slots; Provided, that the said vehicles shall gradually shift to the side of EDSA without swerving, and shall begin shifting lanes not less than two hundred meters (200 m.) from the relevant street or U-turn slot, making the appropriate signals and observing all other traffic rules and regulations.

(1) year, or both such fine and imprisonment at the discretion of the court."

Accordingly, the inclusion of the above-quoted provision or one similar thereto is highly suggested.

5. Since violations of the proposed ordinance are deemed to constitute violations of traffic rules and regulations in the City of Cagayan de Oro, it therefore implies that the pertinent provisions of the Traffic Code of the City of Cagayan de Oro shall apply suppletorily to the provisions thereof.

For purposes of clarity, however, this Office recommends that a new and separate provision clearly stating that the pertinent provisions of Cagayan de Oro City Ordinance No. 10551-2007 or the Traffic Code of the City of Cagayan de Oro, as applicable, shall apply suppletorily to the said ordinance. This is so that the RTA can avail of the remedies provided thereon when the administrative fines imposed by the proposed ordinance are not paid[6].

---

[6] **SECTION 207. Community Service**- In case a driver of a motor vehicle apprehended for traffic violations could not pay the administrative fine imposed under this Ordinance, he/she may opt to render community service in lieu of paying the administrative fine at the rate equivalent to eight hours per Five Hundred Pesos (P500.00) worth of administrative fine. The community service for apprehended traffic violators shall include collection of garbage, cleaning of streets and graffiti, declogging of canals and drains, and other tasks relative to the beautification and clean and green program of the city. At the discretion of the head of the Roads and Traffic Administration, a traffic violator who opt to render community service maybe allowed to serve his/her penalty by doing traffic enforcement; Provided, that his/her required community service is not less than six (6) days; Provided further, that he/she shall undergo a two-day seminar on traffic enforcement or management to be offset on his required period of community service; Provided finally, that he/she shall possess the educational and other qualifications of a traffic enforcer.

Within seventy-two (72) hours from apprehension, the driver of a motor vehicle apprehended for traffic violations who opt to render community service in lieu of paying the administrative fine shall report to the head of the Roads and Traffic Administration who shall immediately compute and reflect in a prescribed community service form the required number of hours of community service. The said form shall be duly signed by the RTA head and the apprehended driver. The RTA shall accompany and entrust the said driver together with the community service form to the City Public Services Officer who shall determine the nature of the required community service as mentioned herein, the location and the specific date and hour when he/she will commence doing community service, which shall be within twenty-four (24) hours from the time he/she reported to the RTA.

After the apprehended driver completed the required community service, the City Public Services Officer or the RTA, in case the required community service is traffic enforcement, shall issue a certification

SECTION 208. Recidivists. – In case of drivers of motor vehicles who have committed at least three (3) traffic violations of the same nature, the Roads and Traffic Administration shall recommend to the Land Transportation Office for the suspension or cancellation of their driver's license.

In case of drivers of public utility vehicles who have committed at least three (3) traffic violations of the same nature, in addition to recommending the cancellation or suspension of their driver's license, the Roads and Traffic Administration shall recommend to the Land Transportation Franchising and Regulatory Board for suspension or cancellation of the franchise of the operator of their units being driven. In addition, no Mayor's Permit as required under Section 77, as amended, of the 2003 Revenue Code shall be issued for the operation of such vehicle in the City.

SECTION 209. Judicial Penalty. – In the event the person who was issued citation ticket fails to pay the traffic fine stated in the citation ticket at the office of the Roads and Traffic Administration, or to not render community service in lieu of payment of administrative fine as provided under this Ordinance, within seventy-two (72) hours from time of issuance of the citation ticket, the Roads and Traffic Administration shall immediately file a complaint against such person before the courts, and if found guilty of the offenses shall be penalized with a fine of not less than P3,000.00 but not more than P5,000.00 or imprisonment of not less than eight (8) months but not more than one (1) year, or both such fine and imprisonment at the discretion of the court.

ordinance may be meted administrative disciplinary action, without prejudice to the filing of the appropriate civil or criminal action.

(c) The secretary to the Sanggunian concerned shall transmit official copies of such ordinances to the chief executive officer of the Official Gazette within seven (7) days following the approval of the said ordinance for publication purposes. The Official Gazette may publish ordinances with penal sanctions for archival and reference purposes."

8. Republic Act No. 4136 also known as the "Land Transportation and Traffic Code" provides, to wit:

"SECTION 62. No provincial board, city or municipal board or council shall enact or enforce any ordinance or resolution in conflict with the provisions of this Act, or prohibiting any deputy or agent of the Commission to enforce this Act within their respective territorial jurisdiction and the provisions of any charter to the contrary notwithstanding."

Accordingly, the proposed ordinance must be referred to the LTO for their appropriate comment and review. This is also because while the City is mandated by the Local Government Code of 1991 to regulate the traffic on all streets and bridges under its jurisdiction; it is the LTO that is in charge of the enforcement of traffic rules and regulations in national highways which is also comprised in this ordinance.

In this connection, it might also be prudent if the comments of the LTFRB and the Traffic Management Group of the Philippine National Police also be obtained.

For your guidance and information.

GUIDELINES IN THE IMPLEMENTATION OF POLICIES, RULES AND REGULATIONS ON MOTOR VEHICLE OVERLOADING AND SPEED LIMITS BY THE LOCAL GOVERNMENT UNITS (LGUs) AND DESIGNATION OF LGU LAW ENFORCEMENT OFFICERS (LEOs)

Memorandum Circular No. 2020-028

10 FEB 2020

1.0 Background

1.1 The value of traffic management laws is significant in the preservation of life and property. Evidently, the importance of traffic management is for the prevention, if not totally elimination of accidents in the use of land transportation.

1.2 In recognition of this country's constitutional principle for the protection and preservation of life and property, and the promotion of general welfare clause provided under the Local Government Code, there were policies that have been established laying down road safety standards road and safety strategies, requiring LGUs encouraging and enabling LGUs to set up relevant institutional structures in conformance with national road safety efforts.

1.3 On May 27, 2013, Republic Act No. 10586 or the *Anti-Drunk and Drugged Driving Act* was signed into law, mandating the deputation of *Law Enforcement Officers (LEOs) from the* local government units. The deputation of LGU *Law Enforcement Officers* is to complement the deputized enforcers from the Metro Manila Development Authority (MMDA) and the DOTr-Land Transportation Office occupying permanent position items and whose present work assignments are directly and actually related to traffic management and control.

1.4 Sections 32 and 51 of Republic Act (RA) 4136 or the Land Transportation and Traffic Code, provide it unlawful to allow passengers to board in cargo or freight provisions of a truck, including those of pickup vehicles, and discouraging further, the carrying of passengers and freight on top of vehicles, as well as, loading and riding on running boards, step board, or mudguard.

1.5 As deaths on road crashes increase resulting from over-speeding, overtaking, reckless driving, coupled with mechanical defects and loss of control of motor vehicles, the need for strong commitments of the LGUs in implementing and monitoring road safety laws, if only to bring their greater impacts as envisioned.

2.0 Purpose

Dear Sir/Mesdames:

Greetings!

We respectfully request the august body, for the enactment of a legislative measure, changing the nomenclature of **LABORER I Item No. 18 SG 1** in the Office of the City Building Official to **ADMINISTRATIVE AIDE I**. The latter's minimum qualification standards are as follows:

Position Title/Nomenclature	Item No.	SG	Education	Experience	Training	Eligibility
From: Laborer I	18	1	Must be able to read and write	None required	None required	None required (MC 11 s. 1996-Cat. III)
To: Administrative Aide I		1	Must be able to read and write	None required	None required	None required (MC 11 s. 1996-Cat. III)

The Laborer I position was created when OBO's functions mainly revolved around the demolition of illegal structures. Presently however, it focuses on regulation and issuance of permits pursuant to Presidential Decree 1906, or otherwise known as the National Building Code of the Philippines, as well as the enforcement of related laws, rules and regulations.

Also, the position requested to be changed/re-titled is compliant with DBM Local Budget Circular No. 61 dated March 18, 1996 entitled "*Revised Index of Occupational Services, Position Titles and Salary Grades (IOS) in the Local Government*".

Moreover, and with respect to all positions to be re-titled, it is consistent with Section 325 (f) of RA 7160 or the Local Government Code of 1991which provides for the general limitations on the use of provincial, city and municipal funds, viz.:
