INSPECTION REPORT

FOR : **ENGR. ARMEN A. CUENCA, MPA, EnP**
CLENR Officer

FROM : **INSPECTORATE TEAM (FORESHORE LEASE AGREEMENT APPLICATION)**

DATE : **December 16, 2020**

SUBJECT : **JOINT AREA INSPECTION FOR THE FORESHORE LEASE AGREEMENT APPLICATION OF BLUE DRAGON LEISURE ESCAPES INC. LAST DECEMBER 10, 2020 AT BARANGAY TABLON, CAGAYAN DE ORO CITY**

I : BACKGROUND

That on November 10, 2020, a letter was received by this Office from Mr. Juan Miguel Zubiri, President of Blue Dragon Leisure Escapes Inc., requesting for an LGU Resolution to form part of their application for Foreshore Lease Agreement. Acting upon the said request, the technical staff from this Office with the technical staffs from City Engineer's Office, City Assessor's Office, City Planning and Development Office and Agricultural Productivity Office collaborated on the conduct of area inspection at the applied area of the said company last December 10, 2020. Submitting herewith is the findings and recommendations of the said inspection, to wit:

II : FINDINGS AND OBSERVATIONS

1. That the subject properties in this request are lots under Title Nos. 137-2019008706 with an area of 3,627 m² & 137-2019008707 with an area of 8,385 m² in the name of Juan Miguel F. Zubiri and JMZ Trading Corporation, respectively;
2. That per the City Assessor's Office record, the lot is declared under Tax Declaration No. G-030385in the name of La Filipina Uygongco Corporation under Title No. T-13317 with a total area 0f 12,012 m². Based on these data, it is concluded that a Deed of Conveyance was executed somewhere in time that resulted to the changed in lot ownership and the segregation of the lot into two (2) lots, which is not reported to this Office for updating of our records;
3. That there was a proposed coastal road project by DPWH-R10 Office, as per records from the City Planning and Development Office;
4. That there were no existing, on-going and proposed related projects from City Engineer's Office and Agriculture and Productivity Office;
5. That as per the submitted Land Title and Approved Plan of the adjacent land surface area of the applied Foreshore area, there should be a three (3) meters legal easement hence it was fence with a fix structure;
6. That the proponent presented transmittal from DPWH-2nd District Engineering Office to the Regional Director of DPWH-R10 that interposes no objection to their application for Foreshore Lease Agreement hence the aforesaid Office has no existing or proposed project in the applied area;
7. That the proponent presented transmittal from Philippine Ports Authority to the OIC-CENR Officer of DENR-R10 that interposes no objection to their application hence the aforesaid Office has no plans for future port development in the applied area within the next five (5) years provided that the area applied for shall be subject to recall by Government when public interest so requires and the aforesaid area is determined to be NOT WITHIN the Port Zone Delineation.

III : **RECOMMENDATION(s)**

Based on the above findings and observations, the undersigned recommends the following:

1. That the present owner of the adjacent land surface of the applied foreshore area to submit a pertinent document of transfer and subdivision plan for the segregation to the City Assessor's Office to update ownership and identification of the lot subject of the foreshore lease agreement application and for taxation purposes;
2. That the adjacent land surface owner of the applied Foreshore area of Blue Dragon Leisure Escapes, Inc. to follow the three (3) meters legal easement as reflected in their Land Title and immediately remove the fence blocking the aforesaid easement;
3. That Blue Dragon Leisure Escapes, Inc. to secure clearance for DPWH-R10 Office since there was a proposed coastal road project of the said Office, as per record of the City Planning and Development Office; and
4. Submit to City Mayor's Office the above findings and observations of the inspectorate team for endorsement to City Council.

Dear Hon. Councilor Cabanlas,

Greetings!

This refers to the endorsement of the Honorable Chairman of the Committee on Subdivision and Landed Estate, City Council of Cagayan de Oro, for a legal opinion on the letter-request of Ms. Vergie Marie L. Pamonag, Project Development Manager, Northmin, Prohomes Development, Inc., for the reclassification of two (2) properties, identified as Lot No. 20482, covered by Transfer Certificate of Title No. T-35033, having an area of 54,589 sq.m., and Lot No. 8 Pcs-10-000400, covered by Transfer Certificate of Title No. 125774, having an area of 57,314 sq.m., respectively, both located at Sitio Manggahon, Barangay Bayanga, Cagayan de Oro City.

The above-mentioned properties were previously classified as Tourism areas, and the requesting party intended them to be developed into a socialized housing project. It must be mentioned that the city government, under the Moreno administration, has embarked in the implementation of a serious shelter program to address the severe backlog of housing facilities for City's informal settler families ("ISFs") and other homeless constituents. The planned socialized housing project at the above-mentioned areas will surely help reduce the incidence of housing shortage in the City.

Taking into consideration that the project is intended for the greater good, we interpose no objection on the above-mentioned request, subject of course to the compliances of other requirements which may be imposed by the concerned government agencies.

Thank you for your kind attention.

Cagayan de Oro City

PROHOMES DEVELOPMENT INC. is a real estate development company that focuses on developing socialized housing projects. In developing affordable housing units, we also aim to provide safe and secure communities for the homes we build. As such, we write in relation on our proposed socialized housing project, Forever Homes Bayanga, covered by TCTs T-35033 and T-125774, located at Sitio Manggahon, Barangay Bayanga, Cagayan de Oro City.

The 8.8 hectare property is currently located within the Tourism Zone as reflected in the Official Zoning Map of the City Ordinance No. 10384-2006. Previous owners, Heirs of the late Hilda Galarrita-Labitad, have initially requested for the rezoning of their property to Residential. Last August 14, 2020, Subdivision and Land Estate Committee (SLEC) conducted an ocular inspection on the property together with CPDO, City Tourism Office, CHUDD, and City Engineer's Office. During inspection, the said agencies have determined that the property has a considerable distance from the Cagayan River where white river rafting activities are conducted. After inspection, it was recommended to us that we apply for a Certification of Eligibility for Conversion from the Department of Agriculture *(DA)*. However, the DA will not issue the said document unless the property has been rezoned to Residential by your office.

In lieu of this quandary, we sent a letter to the city zoning board of appeals to guide us in the next steps of the property's rezoning. We are sending you a copy of the said letter addressed to chairman of the said board, Mayor Oscar Seriña Moreno. We are hoping that CPDO may further assist us to resolve this rezoning concern.

Furthermore, according to our due diligence prior to the purchase of the property, the adjacent property owned the Heirs of Elizabeth Basong, covered by TCT T-187702, has already been converted for Residential use in accordance with DARRO Conversion order No. 001, series of 2016.

Please see attached the following documents pertaining to our request for your reference.

1. Zoning Map with location of proposed Forever Homes Bayanga subdivision
2. Photos of SLEC inspection with location of river from property perimeter
3. Close-up map reflecting proposed Forever Homes Bayanga subdivision and adjacent Basong property
4. TCT T-187702 of Basong property highlighting annotated conversion to residential use

HON. EDGAR S. CABANLAS
Chairman, Committee on Subdivision
& Landed Estate
Office of the City Council
City Hall, Cagayan de Oro City

Sir:

In compliance to the Motion No. 43-2020 dated March 12, 2020 of the Committee on Subdivision and Landed Estate requiring for comment and recommendation on the request for reclassification from Tourism Zone to residential of the lot declared to Heirs of Hilda G. Labitad located at Sitio Manggahon, Bayanga, this city.

Last March 12, 2020, we wrote a letter of which a copy is attached, informing the committee that the present and existing classification of the said lot per owners' record based on the issued Tax Declaration No. G-174446 under Title No. T-35033 with an area of 5.4589 hectares and lot no. 8 under Title No. TCT-T-125774 which was subdivided into Ten (10) lots from Tax Declaration No. G-174495 to G-174504 with area of 5.7314 hectares with the Grand Total of 11.1903 hectares is classified as corn land with actual use as Agricultural.

However, regarding for the request of the owners of lot for reclassification from Tourism Zone and agricultural to residential, this office interposes no objection. As per actual and recent development of the area, and the exact location of the area being along the newly constructed six (6) lane highway, going to Poblacion Barangay Bayanga with newly developed residential subdivision at the adjacent. This lot is generally flat atop of plateau overlooking the magestic Cagayan de Oro River in the East, overlooking the Cabula Cave in the North and adjacent to the newly discovered Cagayan de Oro Cave in the West and a big track of flat lands in the South going to Poblacion Bayanga, the recent highest and best use of the area (HABU) is good and ideal for residential purposes.

Please be rest assured of our continued service and cooperation.

Thank you very much.

Whereas, Barangay Health Workers (BHWs) have been part of the Philippine Health Care System since the 1980s as a component of the country's adherence to the 1978 Alma–Ata Declaration on Primary Health Care, which considers the important role played by community health workers;

Whereas, BHWs are health human resources that play a central role in the development, implementation, monitoring and assessment of health and development programs in the barangays, in particular, and Cagayan de Oro City, in general;

Whereas, BHWs are covered by the provisions of R.A. No. 7883, otherwise known as BHWs' Benefits and Incentives Act of 1995, and its Implementing Rules and Regulations (IRR), which specifies their three (3) main responsibilities: (1) community organizers, (2) health educators, and (3) primary care provider;

Whereas, the establishment of the Barangay Nutrition Scholars ("BNSs") is covered by Presidential Decree No. 1569, otherwise known as "Strengthening the Barangay Nutrition Program by Providing a Barangay Nutrition Scholar in Every Barangay, Providing Funds Therefor and for Other Purposes", which seeks to provide additional human resources for the implementation of programs, projects and activities aimed at addressing malnutrition by requiring at least one BNS per barangay. It also aims to increase the involvement and participation of the people on nutrition concerns at the grassroots level;

Whereas, BNSs are considered barangay–based volunteers, who are tasked to deliver nutrition services and other related activities such as community health, backyard food production, environmental sanitation, culture, mental feeding, and family planning to the barangay. As a volunteer, a BNS delivers nutrition and related services to the community without salary. As a scholar, he or she has to continuously upgrade his/her knowledge and skills in order to perform community nutrition work;

Whereas, BHWs and BNSs have undergone relevant training programs under various government and non-government institutions, enabling them to perform their various tasks within their respective barangays;

Whereas, BHWs and BNSs are considered volunteer health human resources receiving monetary and non–monetary benefits depending on their respective local government unit's available resources;

Whereas, BHWs and BNSs are exposed to hazards that are integral to the performance of their aforementioned tasks which place their health and lives at risk;

Whereas, BHWs and BNSs in Cagayan de Oro City are classified as City-aid volunteers;

APPENDIX "K" / PAGE 103

Whereas, in recognition of the services being rendered by BHWs and BNSs who are actively and regularly performing their duties, the Cagayan de Oro City Government is initiating efforts which will clarify their status and responsibilities, as well as strengthen and institutionalize their benefits and incentives, consistent with policies of the national government;

Whereas, by addressing the various issues facing BHWs and BNSs, their performance of their respective duties and responsibilities are strengthened, resulting in the improvement of the health system and the health indicators in the City, in the Health Department including health center, and in the barangay;

NOW, THEREFORE:

BE IT ORDAINED by the 19th City Council (*Sangguniang Panlungsod*) of Cagayan de Oro City in session assembled:

In this connection, kindly be informed that this Office has thoroughly reviewed the cited provisions and has the following comments:

(1) Those BNS and BHWs who have rendered long and dedicated service but does not meet the qualifications and standards as set forth by the abovementioned Ordinance.

To begin with, it is imperative to define the terms prospective and retroactive, which are important concepts in the operation of law. A thing is prospective if it is expected to happen in the future, while a thing is retroactive if it takes effect from a date in the past.

Art. 4 of the Civil Code of the Philippines provide that "*Laws shall have no retroactive effect, unless the contrary is provided.*" That is, as a general rule, laws shall have only a prospective effect and must not be applied retroactively, unless (1) the law itself provides for retroactivity; (2) the law is remedial in nature; (3) if the statute is penal in nature, provided it

is favorable to the accused/convict; (4) if the law is of an emergency nature and are authorized by the police power of the government; (5) if the law is curative, provided it does not impair vested rights nor affect final judgments and (6) if a substantive right is to be declared for the first time, unless vested rights are impaired.

As such, the herein subject proposed ordinance will have prospective effect because it does not fall under any of the exceptions above-mentioned. So also, the existence of an effectivity clause defining when the law shall take effect opposes the retroactivity of such law, as indicated in Section 16 of the proposed Ordinance, stating that "*This Ordinance shall take effect upon its approval.*"

Considering that the proposed ordinance will be prospective or will take effect upon its approval, this Office is of the opinion that there will be no violation of the constitutional provision on equal protection of laws, which allows for a valid classification. "*The classification is considered valid and reasonable provided that: (1) it rests on substantial distinctions; (2) it is germane to the purpose of the law; (3) it applies, all things being equal, to both present and future conditions; and (4) it applies equally to all those belonging to the same class.*"[1]

For the first element, the substantial distinction applies to all BHWs and BNSs who are qualified and meet the standards as set forth in the proposed ordinance, namely Sec. 5 and Sec. 8, respectively. Such distinction is germane or relevant to the purpose of the proposed ordinance which is for the BHWs and the BNSs to receive various monetary and non-monetary benefits in relation to their invaluable voluntary services to the community. Upon effectivity thereof, the proposed ordinance then will apply to all the present and future BHWs and BNSs, considering that, ***per information and subject to the confirmation/certification of the City Health Office***, all the present city-paid BHWs and BNSs are already registered and accredited by the Department of Health. Consequently, those who are presently volunteering as BHWs and BNSs will receive the benefits and assistance as mandated in the proposed ordinance. Then moving forward, upon effectivity of the proposed ordinance, the future volunteers for BHW and BNS will have to meet all the qualifications and standards in Sections 5 and 8 thereof, respectively, in order for them to receive the necessary benefits and assistance specified in the said ordinance. Lastly, the ordinance will apply to all the BHWs and BNSs in the City of Cagayan de Oro who are classified as city-aid volunteers, therefore the proposed ordinance applies to those belonging to the same class. All things considered, the elements of a valid classification are complied with.

[1] *British American Tobacco v. Camacho*, G.R. No. 163583, 15 April 2009.

Thus, this Office finds the abovementioned provision legally sound and thus poses no legal objection to the same.

(2) Limiting the age of the recipients of the financial assistance to 65 years old and below only, as against what is provided for in Section 11(a) (P500.00 per year of service to qualified BHWs/BNSs aged 65 years or above) of the same Ordinance.

At the outset, it is worth noting that in the proposed ordinance forwarded to this Office by the Committee on Health and Health Insurance last 18 Nov 2020 to which this Office has issued a legal opinion dated 19 Nov 2020, Sec. 11 is stated as follows (no "and"):

> Sec. 11. FINANCIAL ASSISTANCE TO "RETIRING" BHWs and BNSs. In recognition of their invaluable voluntary service to the City, BHWs and BNSs shall be granted financial assistance upon separation from public duty, as follows:
>
> a. P500.00 per year of service to qualified BHWs/BNSs aged 65 years or above;
> b. Having rendered at least ten (10) years of service;[2]

As such, it is the understanding of the Office that the financial assistance of P500.00 per year of service will apply to those BHWs and BNSs who are (1) retiring at age 65 years or above, as well as to those BHWs and BNSs who (2) have rendered at least 10 years of service, regardless of their age.

Thus, considering that the subject provision of the proposed ordinance may cause unnecessary confusion, it is highly recommended by this Office, ***subject to the sound wisdom and discretion of the City Council***, to amend the said provision in the following manner, *to wit*:

> Sec. 11. FINANCIAL ASSISTANCE TO "RETIRING" BHWs and BNSs. In recognition of their invaluable voluntary service to the City, BHWs and BNSs shall be granted financial assistance upon separation from public duty, as follows:
>
> a. P500.00 per year of service to qualified BHWs/BNSs aged 65 years or above;
> b. **P500.00 per year of service to qualified BHWs/BNS having rendered at least ten (10) years of service, regardless of their age.**

Dear Hon. Councilor Gaane,

Greetings!

This pertains to the proposed Ordinance entitled "The Cagayan de Oro City Barangay Health Workers and Barangay Nutrition Scholars Ordinance of 2020" and the request from your good office for legal opinion on this legislative measure.

We consider the proposed ordinance as a landmark local social legislation for it intends to empower the respective Barangay Health Workers ("BHWs") and Barangay Nutrition Scholars ("BNSs") of the City, and give them due recognition for their long service and strong commitment in assisting in the strengthening the barangay health system, as well as ensuring the promotion of the health of our communities, particularly those belonging to the marginalized sector of our society. Moreover, in this time of COVID-19 pandemic, the services of these volunteers are crucial in checking the transmission of the virus in the various localities of the City.

It is noteworthy that the proposed Ordinance ensures the institutionalization of the needed safeguards to insulate the BHW and BNS from the destructive and divisive influence of partisan politics, by providing stringent qualification requirements before one can be appointed as volunteer. Likewise, we find it commendable and well-deserved the inclusion therein of modest incentives to be given to these frontliners for their important contributions in keeping our people stay safe and healthy. For these reasons, we therefore support the enactment of this proposed ordinance.

Thank you for your kind attention.

WHEREAS, ASF does not cause illness in human, but the disease is responsible for serious economic and production losses. It can result in reduction of pork supply in the market, increase price of hogs and pork for consumers and lower food security.

WHEREAS, Department of Agriculture has confirmed the first outbreak in Luzon, the ASF virus continues to spread in the southern archipelago which accounts for nearly a third of the nation's 12. 8 million pig herd. Recently outbreaks were confirmed in Davao Occidental, Davao del Sur, Davao del Norte, North and South Cotabato Sarangani, and Iligan City.

WHEREAS, the rapid spread of the ASF virus in the country and difficulty in the control of transmission and eradication of the disease indicate that we must remain vigilant for its outbreak in the region and the city.

WHEREAS, to protect the city from this economically devastating disease, Executive Order 172 was issued, dated September 27, 2019 providing for the implementation of temporary total ban on the entry of hogs and all pork products coming from Luzon and other identified ASF-affected areas in the country and abroad at the entrance and exit points of Cagayan de Oro City.

Dear Honorable Councilors Ian and Jay,

Greetings!

The developments during the past week have been rather sad. Despite the serious efforts of the City Government and other stakeholders to prevent the entry of the African Swine Fever ("ASF") in Cagayan de Oro City, the same is no longer ASF-free. As per information provided by the Department of Agriculture ("DA"), Regional Office No. 10, there are barangays in the city where the presence of ASF virus have been confirmed, namely, Barangays Mambuaya, San Simon and Baikingon.

While the City Mayor and the concerned offices of the City Government immediately responded to contain the spread of the ASF virus, such as:

a. Conducted a coordinative meeting last February 11, 2021 with the 1st District hinterland barangays, to disseminate information regarding the ASF-affected barangays and responsive and precautionary measures of the City Government to prevent the spread of the animal virus to other barangays, as well as the government compensation benefit requirements to be complied by the affected pig-raisers to be entitled of the said benefit;
b. The activation of the Incident Management Team ("IMT") and the establishment and expansion of animal quarantine checkpoints in the City, with focused attention on the above-mentioned three (3) barangays and their neighboring areas;

RECEIVED
19 FEB 2021

c. Undertook Isolation, Eradication and Compensation activities, involving strict implementation of quarantine rules and regulations, on-going quick validation and profiling of affected pig-raisers by the Agricultural Productivity Office ("APO"), and the timely elimination of hogs within the critical area affected by ASF as per the implementing guidelines of DA, and facilitating the initial payments of compensation to the affected pig-raisers.

Sadly, there have been continuous reports on the movement of hogs from the ASF-affected barangays to the other areas beyond their borders. This situation could cause the spread the animal virus like the proverbial "wildfire" to the other barangays otherwise not affected thereof. This could endanger stocks of hogs in the other parts of the city. And while the "Provision of the Revised Administrative Code Affecting the Bureau of Animal Industry", in relation to Republic Act 3639, particularly, "Section 2747. Violation of provisions relative to animal quarantine. Any person who shall violate any provision of sections one thousand seven hundred and sixty-two to one thousand seven hundred and sixty-five, inclusive, of this Code shall be punished by a fine of not more than one thousand pesos, or by imprisonment for not more than six months, or by both."

We believe that the enactment of an ordinance providing for the appropriate higher penalties for violating ASF quarantine rules and regulations intended to prevent the spread of the animal virus is both crucial and timely under the present circumstances to discourage such activities.

In this regard, we respectfully request both your good offices to possibly co-sponsor the needed appropriate measure to address the seeming lack of concern of pig-growers at the ASF-affected areas in observing the quarantine laws and regulations implemented by the city government which is highly dangerous and damaging to the LGU.

Hoping for your kind and favorable consideration

Thank you very much.
