**THE HONORABLE  
SANGGUNIAN PANLUNGSOD**  
Legislative Building, City Hall  
Cagayan de Oro City

**THRU: HON. CEASAR IAN E. ACENAS**  
City Vice-Mayor

**Ladies and Gentlemen:**

Pursuant to the powers vested in me by Section 55 of the Local Government Code of 1991, I hereby veto **CITY ORDINANCE No. 12860-2014**, entitled: **"AN ORDINANCE PROVIDING FOR THE 2015 CAGAYAN DE ORO CITY REVENUE AND FOR OTHER PURPOSES"** which was enacted by the Sangguniang Panlungsod on 27 October 2014 and transmitted to this Office for executive approval on 30 October 2014. Below is my veto message.

### VETO MESSAGE

Section 54 of R.A. No. 7160, otherwise known as the Local Government Code of 1991 (the "Local Government Code") requires that the ordinance enacted by the Sangguniang Panlungsod shall be forwarded to the City Mayor for approval. Relatedly, Section 55 of the same Code provides that the City Mayor may veto the ordinance enacted by the Sangguniang Panlungsod on the ground that the same is *ultra vires* or prejudicial to public welfare. Veto is a latin word which means "to refuse to approve or to reject". *Ultra vires*, on the other hand, is another latin word which means "beyond the powers or scope of authority".

I refuse to approve the aforesaid City Ordinance No. 12860-2014 on the ground that the same is *ultra vires* and prejudicial to public welfare being a product of ill-conceived, careless, and hasty drafting. In a nutshell, the enactment by the Sangguniang Panlungsod of City Ordinance No. 12860-2014 is an intentional and whimsical move seeking to reduce the local revenues that the City Government may generate from the collection of taxes, fees, and charges. It is designed to hinder the undersigned to promptly deliver the basic services to the people. While this may serve their personal interest and hidden agenda, the majority members of the Sangguniang Panlungsod, however, miserably failed, if not ignored, to consider that the drastic reduction of local revenue collection would be prejudicial to the public welfare of the Kagayanons as it would gravely affect and diminish the City Government's fiscal capability to sustain its continuous delivery of basic services, such as, but not limited to health services, social services, infrastructure projects, education and other vital public and governmental services. The approval and implementation of City Ordinance No. 12860-2014 is clearly against the best interest and welfare of the City of Cagayan de Oro and its people.

A clear indication of its hasty and unmindful enactment is the fact that numerous provisions of City Ordinance No. 12860-2014 are *ultra vires* or contravened specific provisions of the Local Government Code and the well settled jurisprudence on the subject matter, to wit:

**I. The City Board of Assessment Appeals**  
**Article D, Section 17 of Ordinance No.**  
**12860-2014**  
 -----

The City Board of Assessment Appeals is actually the LOCAL BOARD OF ASSESSMENT APPEALS (LBAA) created under Section 227 of the Local Government Code, having the same membership, powers, functions and duties. However, the reference to "Local Board of Assessment Appeals" as "City Board of Assessment Appeals" is not proper for the following reasons, to wit:

a. The new name is contrary to the given name of the board as provided under Sections 227-229 of the Local Government Code of 1991. In effect, this would result into an ordinance amending a national law which the Supreme Court declared as not legally feasible in the case of *Lina vs. Pano*<sup>1</sup>. This is not permissible under the so-called "Supremacy Clause" which upholds the supremacy of national laws (e.g. Local Government Code) over and above local laws (e.g. ordinances). The enacted city ordinance therefore is *ultra vires* being outside and beyond the power and scope of authority of the Sangguniang Panglungsod to enact.

b. The administrative remedies available to a taxpayer or real property owner who is not satisfied with the assessment or reasonableness of the real property tax sought to be collected is clearly set forth in the Local Government Code. The foregoing remedies was even outlined by the Supreme Court in the case of *City of Pasig, Represented by the City Treasurer and the City Assessor vs. Republic of the Philippines*<sup>2</sup>, to wit:

"Should the taxpayer/real property owner question the excessiveness or reasonableness of the assessment, Section 252 directs that the taxpayer should first pay the tax due before his protest can be entertained. There shall be annotated on the tax receipts the words 'paid under protest.' It is only after the taxpayer has paid the tax due that he may file a protest in writing within thirty days from payment of the tax to the Provincial, City or Municipal Treasurer, who shall decide the protest within sixty days

<sup>1</sup> G.R. No. 129093, 30 August 2001.

<sup>2</sup> G.R. No. 185023, 24 August 2011.

from receipt. In no case is the local treasurer obliged to entertain the protest unless the tax due has been paid.

If the local treasurer denies the protest or fails to act upon it within the 60-day period provided for in Section 252, the taxpayer/real property owner may then appeal or directly file a verified petition with the LBAA within sixty days from denial of the protest or receipt of the notice of assessment, as provided in Section 226 of R.A. No. 7160.

And, if the taxpayer is not satisfied with the decision of the LBAA, he may elevate the same to the CBAA, which exercises exclusive jurisdiction to hear and decide all appeals from the decisions, orders and resolutions of the Local Boards involving contested assessments of real properties, claims for tax refund and/or tax credits or overpayments of taxes. An appeal may be taken to the CBAA by filing a notice of appeal within thirty days from receipt thereof.

From the Central Board Assessment Appeals, the dispute may then be taken to the Court of Tax Appeals by filing a verified petition for review under Rule 42 of the Revised Rules of Court; to the Court of tax Appeals en banc; and finally to the Supreme Court via a petition for review on certiorari pursuant to Rule 45 of the Revised Rules of Court." [Underscoring supplied]

From the foregoing, it is very clear that the LBAA represents the lowest appellate board for both provinces and cities, with no distinction. And that the acronym CBAA exclusively refers to the Central Board of Assessment Appeals.

Thus, aside from the fact that the change of the name of the "Local Board of Assessment Appeals" to "City Board of Assessment Appeals" would wreck havoc to the administrative remedies provided under the Local Government Code (and duly outlined by the Supreme Court). Worse, the foregoing change would only lead to confusion because there would be now two (2) "CBAA" acronyms – the first acronym referring to the City Board of Assessment Appeals, and the second acronym referring to the higher appellate body created under Section 230 of the Local Government Code which is called the Central Board of Assessment Appeals.

Hence, the change practically offers no benefit or advantage at all except for the fact of changing a name just for the sake of changing it for no valid reason whatsoever.

c. Finally, what is more objectionable is the fact that renaming the Local Board of Assessment Appeals as City Board of Assessment Appeals already constitutes as an encroachment into the wisdom and prerogative of Congress. It will also result to confusion in the implementation and application of the law as it would appear that the subject board was created by the Sangguniang Panglungsod, when in reality, it was created by the Local Government Code.

## II. Tax on Sand, Gravel and Other Quarry Resources, Article H of Ordinance No. 12860-2014

---

Section 138 of the Local Government Code provides for a tax of "not more than ten percent (10%) of fair market value in the locality per cubic meter of ordinary stones, sand, gravel, earth, and other quarry resources." On the other hand, the 2015 Cagayan de Oro City Revenue Code reduced the rate to a mere five percent (5%).

In the case of *Progressive Development Corporation vs. Quezon City*<sup>3</sup>, a tax ordinance can be both revenue raising and regulatory measure. Thus, while it maybe within the prerogative of the Sangguniang Panlungsod to reduce the maximum rate of tax on quarry, sand and gravel provided for under the Local Government Code, it should always be borne in mind that such drastic reduction results into the deprivation of much-needed revenue for the City. Moreover, and more important for that matter, the wisdom behind the drastic reduction of the tax rate into half (10% to 5%) is not only highly suspicious as to its real intent but also questionable since the reduction would also result to a diminished regulation thereby allowing quarry to proliferate in the city to the prejudice and detriment of the environment and the people of Cagayan De Oro City. Did the Sangguniang Panlungsod easily forget the devastation caused by Typhoon *Sendong*? Did the august body really discount or disregard that unregulated quarrying and extraction of our local natural resources is one of the main reasons why the city suffered the effects of the said typhoon to such fatal proportions? Is there really a moral and humane reason why the quarry businessmen in our city should be rewarded by a significant cut in their taxes and lessened regulation in order to encourage them to pursue more quarrying business which is definitely critical to a sound environment for the City?

## III. Amusement Tax on Admissions, Article J of Ordinance No. 12860-2014

---

<sup>3</sup> G.R. No. 36081, 24 April 1989.

Section 140 (a) of the Local Government Code provides for an amusement tax at a rate of not more than thirty percent (30%) of the gross receipts from admission fees. This was later on amended by R.A. No. 9640 which reduced the tax rate to ten percent (10%).

The Amusement Tax on Admissions as provided under the 2015 Cagayan de Oro City Revenue Code is patently illegal and unconstitutional for the following reasons:

a. The tax base of the local amusement tax, as provided for by law, is gross receipts from admission fees. In other words, 10% of the tickets paid for by the patronizing public. The 2015 Cagayan de Oro City Revenue Code's tax base, however, provides for "Gross Sales." This means that the basis of the tax shall not only be the sales derived from the tickets but also the sales derived from other sources (e.g. drinks, food, etc.). This directly contravenes the spirit behind the provision of the Local Government Code limiting the tax base to admission fees only. This is definitely *ultra vires* or outside the power of the Sangguniang Panlungsod to enact. When the law specifically mentioned "receipts", then the clear legislative intent of Congress is to exclude those not falling within the definition and ambit of receipts. It is already settled in our jurisprudence that what the law excluded, the ordinance cannot include, as the legislative intent is precisely to exclude them.

b. The adoption of "Gross Sales" as explained in the foregoing paragraph shall result into a very burdensome imposition on the legitimate businessmen affected. Perhaps the proponents of the 2015 Cagayan de Oro City Revenue Code are not aware that the National Government already imposes its own version of amusement taxes at rates ranging from ten percent (10%) to as high as thirty percent (30%) on gross sales or gross receipts. To further subject their revenues to the local amusement tax, which is now also based on gross sales or gross receipts, would certainly prove to be oppressive.

c. The tax law on amusement taxes is very crystal clear: the National Government levies the tax on all gross sales or gross receipts of the amusement places, whereas the Local Government Unit levies the tax only on the gross receipts derived from admission fees. To tax otherwise would result into an illegal and unjust exaction.

d. The singling out of cockpits from other amusement places by the 2015 Cagayan de Oro City Revenue Code is discriminatory and is contrary to the uniformity rule observed in taxation law (Section 130, Local Government Code). What was the

Sangguniang Panlungsod thinking when it imposed a mere three percent (3%) on cockpits instead of the five percent (5%) tax rate it imposed on all the other amusement places? What makes a cockpit, a place of gambling, so special to deserve such a favor from the proponents of the Revenue Code? Is the City encouraging gambling because of this incentive?

e. The imposition of a minimum amount of amusement tax (e.g. 5% of Gross Sales but in no case less than P15,000) is an *ultra vires* act of the legislative body. Nowhere in the Local Government Code and in other special laws is it provided that a minimum amount should be set for amusement taxes.

#### IV. Tax on Amusement Places/Business, Article K of Ordinance No. 12860-2014

---

The 2015 Cagayan de Oro City Revenue Code, in addition to the Amusement Tax on Admission under Article J, further imposes an amusement tax on "all persons operating any or all of the following amusement places/business where customers thereof actively participate, without making bets or wages, including but not limited to the following..."

Again, this imposition finds no merit in taxation law and proves to be an unlawful exaction based on the following grounds:

a. The Local Government Code defines the term "amusement places" as to "include theaters, cinemas, concert halls, circuses and other places of amusement where one seeks admission to entertain oneself by seeing or viewing the show or performances" (Emphasis Supplied; Sec. 131 [c], Local Government Code). All the establishments enumerated under Article K of the Revenue Code lack the essential element of **seeing or viewing a show or performance**, contrary to the very definition of what an amusement place is adopted by the Revenue Code in Article C (d).

b. In the case of *Pelizloy Realty Corporation vs. Province of Benguet*<sup>4</sup>, the Supreme Court reiterated the definition given by the Local Government Code and ruled that the local amusement tax shall be limited to amusement places holding shows or performances. In this case, establishments/places like resorts, swimming pools, bath houses, hot springs and tourist spots are not subject to the amusement tax. Thus, the Supreme Court held:

---

<sup>4</sup>G.R. No. 183137, 10 April 2013.

Sangguniang Panlungsod thinking when it imposed a mere three percent (3%) on cockpits instead of the five percent (5%) tax rate it imposed on all the other amusement places? What makes a cockpit, a place of gambling, so special to deserve such a favor from the proponents of the Revenue Code? Is the City encouraging gambling because of this incentive?

e. The imposition of a minimum amount of amusement tax (e.g. 5% of Gross Sales but in no case less than P15,000) is an *ultra vires* act of the legislative body. Nowhere in the Local Government Code and in other special laws is it provided that a minimum amount should be set for amusement taxes.

#### IV. Tax on Amusement Places/Business, Article K of Ordinance No. 12860-2014

---

The 2015 Cagayan de Oro City Revenue Code, in addition to the Amusement Tax on Admission under Article J, further imposes an amusement tax on "all persons operating any or all of the following amusement places/business where customers thereof actively participate, without making bets or wages, including but not limited to the following..."

Again, this imposition finds no merit in taxation law and proves to be an unlawful exaction based on the following grounds:

a. The Local Government Code defines the term "amusement places" as to "include theaters, cinemas, concert halls, circuses and other places of amusement where one seeks admission to entertain oneself by seeing or viewing the show or performances" (Emphasis Supplied; Sec. 131 [c], Local Government Code). All the establishments enumerated under Article K of the Revenue Code lack the essential element of **seeing or viewing a show or performance**, contrary to the very definition of what an amusement place is adopted by the Revenue Code in Article C (d).

b. In the case of *Pelizloy Realty Corporation vs. Province of Benguet*<sup>4</sup>, the Supreme Court reiterated the definition given by the Local Government Code and ruled that the local amusement tax shall be limited to amusement places holding shows or performances. In this case, establishments/places like resorts, swimming pools, bath houses, hot springs and tourist spots are not subject to the amusement tax. Thus, the Supreme Court held:

<sup>4</sup>G.R. No. 183137, 10 April 2013.

"Accordingly, 'other places of amusement' must be interpreted in light of the typifying characteristic of being venues 'where one seeks admission to entertain oneself by seeing or viewing the show or performances' or being venues primarily used to stage spectacles or hold public shows, exhibitions, performances, and other events meant to be viewed by an audience.

As such, the ordinary definitions of the words "show" and "performance" denote not only visual engagement (i.e., the seeing or viewing of things) but also active doing (e.g., displaying, staging or presenting) such that actions are manifested to, and (correspondingly) perceived by an audience.

Considering these, it is clear that resorts, swimming pools, bath houses, hot springs and tourist spots cannot be considered venues primarily "where one seeks admission to entertain oneself by seeing or viewing the show or performances." While it is true that they may be venues where people are visually engaged, they are not primarily venues for their proprietors or operators to actively display, stage or present shows and/or performances."

c. Applying the principle of *ejusdem generis*, therefore, all the places/businesses enumerated under Article K of the Ordinance No. 12860-2014 are beyond the ambit of the local amusement tax. At most, these establishments may be subjected to regulatory fees only. Besides, this burdensome and oppressive taxation would give an unfriendly environment to the business sector and will thus discourage them to engage business in the City and will therefore reduce our local revenue collection which definitely is prejudicial to public welfare.

**V. Tax on The Lease or Rental of Electric and/or Telecommunication Posts, Poles or Towers By Pole Owners To Other Pole Users, Article P of Ordinance No. 12860-2014**

---

In 2005, the Sangguniang Panlungsod passed Ordinance No. 9503-2005 which imposes a tax on the lease or rental of electric and/or telecommunication pots, poles or towers by pole owners to other pole users at the rate of **ten**

percent (10%) of the annual rental income derived therefrom and for other purposes.

CEPALCO challenged the said ordinance and the Supreme Court invalidated the ten percent (10%) rate as violative of Section 143 (h) of the Local Government Code and thereby ruled that the City "may impose a business tax of up to 0.03 (or 3%) of a business' gross sales or receipts of the preceding calendar year". During the second public hearing of the 2015 Cagayan de Oro City Revenue Code, no less than the legal representative of CEPALCO declared before the public that the company is willing to pay the three percent (3%) tax.

Thus, it is rather perplexing why the proponents of the 2015 Cagayan de Oro Revenue Code would impose a meager rate of two and one-half percent (2.5%) despite the fact the primary taxpayer affected (CEPALCO) already expressed its willingness to pay three percent (3%). Is the objective simply to diminish the City's treasury so as to limit the delivery of essential services to the community? This is definitely prejudicial to public welfare.

**VI. City Business Tax Mediation Board,  
Article FFF, Section 245 of Ordinance  
No. 12860-2014**

---

This board is created by the Sangguniang Panlungsod which is composed of the Chairperson of the City Council Committee on Finance and Ways & Means as chair and as members thereof the Chair of the City Council Committee on Trade, Commerce & Cooperatives, the DTI Provincial Director, the President of the Oro Chamber, and a representative of PICPA. Its function is to mediate all protests related to the adverse decision of the City Treasurer on matters pertaining to gross sales or receipts using the Presumptive Income Level of the taxpayer and other related tax assessment and liabilities before an appeal is made.

This provision is unconstitutional and is contrary to law, particularly the provisions provided for under the Local Government Code, for reasons stated hereunder:

a. Section 195 of the Local Government Code specifically provides for the mode of appeal in case the taxpayer desires to challenge the decision of the local Treasurer in the assessment of local taxes, fees and charges. It provides, in part, that "the taxpayer shall have thirty (30) days from receipt of the denial of the protest or from the lapse of the sixty (60) day period prescribed herein within which to appeal with the court of competent jurisdiction otherwise the assessment becomes conclusive and unappealable".

b. The creation of the mediation board directly contradicts the mode of appeal provided under Section 195 of the LGC. The taxpayer may even be placed in a losing situation where the statute of limitation will apply against him and he can no longer file an appeal before the courts because the prescriptive period of thirty (30) days given to him by law will continue to run and lapse while the hearings before the mediation board is ongoing. It bears to emphasize at this point that any prescriptive period provided for by law within which to exercise a right is a limitation of such right and will be interpreted as mandatory and strictly construed against the appellant, and accordingly, the running of such period cannot be stayed by a procedural remedy provided for by a mere ordinance. Stated differently, an ordinance cannot provide a layer of legal remedy if the law already provided one to be availed within mandatory periods provided for therein without running afoul to jurisprudential doctrine that sanggunians, being merely exercising delegated local legislative power from Congress, cannot rise above Congress. Thus, ordinance which is the product of Sanggunians, cannot rise above law which is the product of Congress. It is thus surprising that this principle escaped the minds of the majority members of the Sanggunian who are already considered veterans having been members of the Sanggunian for several terms already. Is this a case of intentional violation or just a product of uninformed decision.

c. The exercise of the functions of the mediation board constitutes a blatant usurpation of executive functions and is directly a violation of the separation of executive and legislative functions. It is a direct affront to the capability and dignity of the local Treasurer who represents this Office.

d. Lastly, this mediation board will give opportunities for corruption because then the Chair who is the chairman of the Finance Committee is given the power to overrule the decision of the local Treasurer who, by all considerations and possession of the required expertise for his appointment, is the better and more knowledgeable official when it comes to the collection of taxes, fees, and charges.

An ordinance, to be valid, must not contravene the Constitution or any statute.<sup>5</sup> As shown by the above discussions, City Ordinance No. 12860-2014 is void as it not only contravenes the Local Government Code, worse, it effectively seeks to modify and amend the same.

While I am withholding my approval and not signing the instant ordinance, however, it must be made clear that this administration is not opposed to the amendment and revision of

<sup>5</sup> *Magtajas vs. Pryce Properties and PAGCOR*, G.R. No. 111097, 20 July 1994.

the City of Cagayan de Oro's existing Revenue Code. But any amendment or revisions to the Revenue Code must be the product of an extensive study and research. It must be arrived at after a true and proper consultation of the different concerned Departments of the City Government and the various public stakeholders so as to ensure that any increase and decrease in the rates of the taxes, fees and charges in the proposed Revenue Code will not only be just and equitable for the City taxpayers but will be also be supportive of the short and long term economic programs and projects of the City for the general welfare of its constituents, the KAGAYANONS.

The enactment of the 2015 Cagayan de Oro City Revenue Code may be argued as a valid exercise of the Sangguniang Panlungsod's legislative powers and functions. But considering the facts and circumstances surrounding the preparation and passage of the 2015 Cagayan de Oro City Revenue Code, it is not hard to see that its hasty enactment was purposely in support of the desires and intentions of the Sangguniang Panlungsod to paralyze this administration and render it inutile.

Let it be made clear that this administration fully recognizes and respects the principle of separation of powers and system of check and balances. While we adhere to the foregoing principles and systems, it is however important to stress that this administration will not sit idly by or turn a blind eye to the abuses being committed by the Sangguniang Panlungsod, abuses that are being conveniently being justified as a valid exercise of the Sangguniang Panlungsod's legislative powers. Needless to state, the enactment of the 2015 Cagayan de Oro City Revenue Code is just one of the many instances wherein the Sangguniang Panlungsod gravely abused the exercise of its power and authority. Set forth below are some of the reckless actions intentionally committed by the Sangguniang Panlungsod which undoubtedly have proven to be prejudicial to the general welfare and interests of the City of Cagayan de Oro and its people, to wit:

**I. Refusal Of The Sangguniang Panlungsod, Without Any Valid Reasons, To Authorize The City Mayor To Enter Into A Memorandum of Agreement With The Department of Social Welfare And Development ("DSWD") To Access And Utilize The Data For Anti-Poverty Programs And Services**

---

The National Household Training System for Poverty Reduction ("NHTS-PR") of the DSWD is an information system that targets the poorest of the poor in a respective area. With the database, it becomes easier for the City Government to determine the direct beneficiaries of its poverty reduction programs and social services. The identification of the direct beneficiaries would in turn ensure the sound planning and proper implementation of City Government's anti-poverty programs which would greatly benefit the less privileged residents of the City.

However, in order for the City Government to gain access to the foregoing database, the City Government, through its Chief Executive, is required to enter into a Memorandum of Agreement ("MOA") with the DSWD. In this regard, the MOA required to be executed into by the City Government and the DSWD was duly reviewed by the City Legal Office and forwarded by the City Social Welfare and Development Department ("CSWD") to the Office of the City Administrator with the request that it be endorsed to the Sangguniang Panlungsod for approval.

Thereafter, the request for the approval of the MOA and for the undersigned to be duly authorized to sign the MOA was forwarded to the members of the Sangguniang Panlungsod, through the office of the City Vice-Mayor Caesar Ian E. Acenas. Unfortunately, on 20 December 2013, Acting CSWD Officer Teddy A. Sabuga-a, Jr. was informed, through the 1<sup>st</sup> Indorsement dated 19 December 2013 signed by Mr. Arturo S. De San Miguel, City Council Secretary, that the MOA covering the implementation of the NHTS-PR was disapproved by the Sangguniang Panlungsod during its Regular Session held last 09 December 2013. A copy of the 1<sup>st</sup> Indorsement dated 19 December 2013 is attached and made an integral part hereof as **ANNEX "A"**.

As may gleaned from the attached 1<sup>st</sup> Indorsement dated 19 December 2013, the Sangguniang Panlungsod has not offered any valid reason or plausible explanation why they opted to withhold their approval of the MOA and deny the City Government the beneficial use of the database. Worthy to note, the execution of the MOA does not entail any financial responsibility from the City Government. In fact, the City Government has everything to gain and nothing to lose from the execution of the MOA. The MOA would provide the City Government ready access to valuable information and data that would help the City Government to effectively design and successfully implement its various poverty reduction programs and social services. Thus, it is perplexing why the Sangguniang Panlungsod would choose to reject the MOA when the same would redound to the benefit and welfare of the City of Cagayan de Oro, specifically its underprivileged and poverty stricken residents.

It is just fortunate that DSWD Secretary, upon being apprised of the Sangguniang Panlungsod's unjust refusal to approve the execution of the MOA, opted to push through with the execution of the MOA between the DSWD and the undersigned, in his personal capacity and not as the City Mayor. The foregoing set up would allow the undersigned to access and retrieve vital data and information from the database, and forward the same to the City Government so that it may use the said data and information in its poverty reduction and social services programs.

## **II. Unjust And Unreasonable Refusal Of The Sangguniang Panlungsod To Act On The Farm-to-Market Road Project**

---

6 ✓

The City of Cagayan de Oro is a recipient of a Farm-to-Market Road ("FMR") Project allocation from the Department of Agriculture ("DA") for the CY 2014 in the total amount One Hundred Twenty Million Pesos (P120,000,000.00), inclusive of the ten percent (10%) Local Government Unit ("LGU") equity.

The FMR is a series of road projects in the City's hinterlands barangays from Lumbia to Tumpagon and from Besigan to Dansolihon. The FMR Project is funded by the DA, with a ten percent (10%) equity or counterpart in the amount of Twelve Million Pesos (P12,000,000.00) coming from the City Government. In order to implement the aforesaid FMR Project, an ordinance needs to be enacted by the Sangguniang Panlungsod authorizing the undersigned, on behalf of the City Government, to enter into a Memorandum of Understanding ("MOU") with the DA and the Department of Public Works and Highways ("DPWH"), as well as enact an ordinance appropriating the sum of Twelve Million Two Hundred Seventy Two Thousand Pesos (P12,272,000.00), representing the ten percent (10%) equity or counterpart of the City Government for the FMR Project.

The deadline for the submission of the aforementioned requirements for the implementation of the FMR Project was set by the DA on 31 March 2014. Thus, Dr. Hector R. San Juan ("San Juan"), City Agriculturist, immediately coordinated with the DPWH and the different Departments of City Government in order that the City Government may be able to come up with a draft of MOU and submit the pertinent documents required for the implementation of the FMR Project.

As duly narrated by Dr. San Juan in his Status Report dated 03 November 2014, several hearings and meetings have been conducted by the different committees of the Sangguniang Panlungsod with respect to the request of this administration for the approval of the FMR Road Project. In the committee meetings and hearings conducted during period of 27 February to 05 August 2014, the Sangguniang Panlungsod continued to block and/or defer the approval of the FMR Project by conveniently seeking for the submission of various documents. The latest of which was the submission of the so-called Supplemental Annual Investment Plan (AIP) for the FMRs of CY 2014 by the City Development Council ("CDC"), the issuance of a certification to support the Certificate of Availability Funds of Twelve Million Two Hundred Seventy Two Thousand Pesos (P12,272,000.00) as the City Government's equity taken from the savings of the previous years, stating that projects from where these continuing funds were taken had already been terminated and completed.

A copy of Dr. San Juan's Status Report on the Farm-to-Market Projects dated 03 November 2014 is attached and made an integral part hereof as **ANNEX "B"**.

Worthy to stress, all of the documents required by the Sangguniang Panlungsod, including the Supplemental AIP for the FMRs of CY 2014 by the CDC, have already been submitted to them. However, despite the said compliance and submission, to this date the Sangguniang Panlungsod has failed

to act upon the FMR Project. And that the Sangguniang Panlungsod continues to refuse to enact the required ordinance authorizing the undersigned to sign the MOA, as well as appropriate the funds representing City's equity for the FMR Project.

The unjust and unreasonable refusal of the Sangguniang Panlungsod to act on the FMR Project is clearly detrimental to the public interest, specifically to the residents of City's hinterland barangays. Moreover, the DA has already warned the City Government that if the funds allocated for the FMR Project will not be utilized because of the delay in the released of the 10 per cent (10%) counterpart of the City Government, it will be given to other cities and beneficiaries or returned to the coffers of the National Government. Thus, it has now becomes imperative for the Sangguniang Panlungsod to consider the best interest and welfare of the people of the City of Cagayan de Oro and immediately act on the approval of the FMR Project.

### **III. Unjust And Unreasonable Withdrawal By The Sangguniang Panlungsod Of The Local Chief Executive's Authority To Identify Programs and Projects Under The 20% Development Fund And The Denial Of The Supplemental Annual Investment Plans Of 2013**

---

It must be stressed that the funding for the 2013 projects of this administration were mostly sourced, not from the 2013 Annual Budget, but from the Continuing Appropriations for the years 2009-2012. Being part of the respective 2009-2012 Annual Budgets, the applicable basis in the implementation of the same is not the current investment plan but the respective Annual Investment Plans ("AIP") for the said years. However, I would like to point out that prior to this administration, there were really no plans or a total resource allocation in the AIP to speak of, because past AIPs were plans nor a total resource allocation in the AIP to speak of, because past AIPs were just mainly Capital Outlay and 20% Development Fund ("DF"). The Sangguniang Panlungsod, however, in the ordinances authorizing the respective annual AIPs/20% DF, provided **blanket authority** to the City Mayor to identify programs and projects to be implemented without the need of the Sangguniang Panlungsod's authorization. Thus, the past the Sangguniang Panlungsod's authorization were used in identifying the projects implemented by this administration, since it was only in June of 2013, before my new administration took over, that the Sangguniang Panlungsod withdrew this authority of the Local Chief Executive, to identify programs and projects in the AIP/ 20% DF for 2013. Prior ordinances authorizing the City Mayor to identify projects under the the 20% DF of prior years were, however, not withdrawn. Incidentally, it is our view that the resolution made by the Sangguniang Panlungsod was tainted with malice, and solely intended to paralyze this administration. Thus, clearly illegal and *ultra vires*.

Nevertheless, notwithstanding the above, the Local Development Council ("LDC") which was only finally convened in October, 2013, approved the Supplemental AIP for 2013 which already included all of the projects implemented by this administration in 2013. The LDC-approved Supplemental of 2013, together with the total AIP for 2014 were submitted to the Sangguniang Panlungsod for approval, in October, 2013. Worthy to note, the role of the Sangguniang Panlungsod in this respect is virtually ministerial. However, the 2013 Supplemental AIP was denied with no clear and valid reason and described only as "lost in the voting".

Thus, it is the stand of this administration that it may duly assert the effectivity of the Supplemental AIP given at least the substantial compliance of the legal process. Hence, this administration is of the position that the denial of the Supplemental AIP was without legal basis, improper and *ultra vires*.

#### **IV. The Actions Of The Sangguniang Panlungsod Follow A Certain Pattern Designed To Prevent The Chief Executive From Being Able To Implement The Needed Programs For Good Local Governance**

---

The systematic strategy adopted by the the Sangguniang Panlungsod to hamper the programs of this administration and render it inutile was already apparent in the passing of the 2014 Annual Budget of the City. Thus, in the Veto Message dated February 14, 2014 on Ordinance No. 12179 -2014, 2014 Annual Budget of the City, the undersigned already stated that the Sangguniang Panlungsod went beyond the legal parameters of its power or has acted beyond the scope of its authority in passing the identified objectionable items of the Appropriation Ordinance, for being prejudicial to public welfare as the deletions/reductions made by the Sangguniang Panlungsod on certain items of the Executive Budget would definitely hamper and jeopardize the delivery of the much needed basic services to the city's constituency, and to large extent, would adversely affect the programs/projects of the city to the prejudice of the people we were sworn to serve. Also, there were new items/Additions/Insertions in the Executive Budget introduced by Sangguniang Panlungsod which were *ultra vires* and illegal.

Among the Grounds for our Direct Veto on the 1) illegal reduction of the Maintenance and other Operating Expenses under City Chief Executive, 2) the deletions of the subject items pertain to the funding requirements for the operation of existing executive committees and special programs and projects, duly authorized by previous ordinances of the city and contained in the budget proposals which underwent the regular process of budget preparation, 3) Section 4 Disbursement Requirements of the Annual Budget Ordinance. - *No funds shall be disbursed under this budget without the approved work and financial plan and*

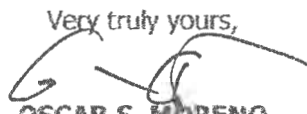

*the advice of allotment issued by the City Mayor or the City Vice Mayor, as the case maybe, or his authorized representative, 4) Provisions requiring the submission to the Sanggunian, and approval of the Program of Works through ordinance, 5) New Items/Insertions to the Executive Budget, these actions by the Sangguniang Panlungsod were *ultra vires*, Prejudicial to Public Welfare; Grave abuse of discretion amounting to lack or excess of jurisdiction, Undue Infringement, Extravagant, Excessive and Unnecessary.*

Likewise, in our Indirect Veto, we determined that the Sangguniang Panlungsod's reduction of the Estimates of Income of the General Fund and Special Account, as certified by the OIC-City Treasurer and the other members of the Local Finance Committee and unilaterally, arbitrarily and acting alone determine the estimates of income of the city was without any legal basis. This action was highly irregular, illegal and contrary to law as the Sangguniang Panlungsod cannot arrogate into itself a power which is otherwise conferred by the Local Government Code to another party.

In fine, it is very important to stress here the significance of the "totality of conduct" rule. Under this rule, an act that seems to be legal or regular should be taken in the light of the other acts that are connected to it or otherwise related to the same. If all of these acts, taken together, clearly show a pattern or connection that demonstrates the underlying motive of these acts, then we apply the "totality of conduct" rule. Very obviously, under this perspective, the aforementioned acts of the Sangguniang Panlungsod were all designed to achieve a common objective, and that is to paralyze this administration and render it ineffectual and inutile. Worse, these acts all clearly show that the Sangguniang Panlungsod is already encroaching unduly into the field of executive domain. Worse still, they want to wield executive powers.

Finally, I wish to stress that the above-mentioned events were purposely pointed out and narrated in this letter so that the people of the City of Cagayan de Oro would be made fully aware of the true agenda of the majority members of the Sangguniang Panlungsod. And that the Kagayanons will be exposed to the harsh and sad reality that the majority members of the Sangguniang Panlungsod, to whom the Kagayanons have reposed their sacred votes, are not living up to their sworn duties to look after the welfare of the people of the City of Cagayan de Oro but are simply advancing their individual interests and agenda.

Accordingly, I am returning City Ordinance No. 12860-2014 together with this Veto Message to the Sangguniang Panlungsod.

Very truly yours,
