REQUEST

Come now we the undersigned residents of Zone 1, CILRAI Area, District 7 Barangay Puntod, Cagayan de Oro City unto **HON. CITY VICE-MAYOR JOCELYN BEBOT RODRIGUEZ AND MEMBERS OF THE CITY COUNCIL**, Cagayan de Oro City most respectfully submits this request for City Legislative Intervention and Inquiry on subject impending demolition issue we are facing. We find ourselves in a dilemma, seeking a remedy while living in constant fear of the potential issuance of the Writ of Demolition. Thus, the need for relief is urgent.

"The role of the Constitution cannot be overlooked. The Constitution establishes limits, and defines the government's core powers, as well as the distribution of those powers among the several parts of government.

The Constitution is the basic and paramount law to which all other laws must conform and to which all persons, including the highest officials of the land, must defer.

Constitutional doctrines must remain steadfast no matter what may be the tides of time. It cannot be simply made to sway and accommodate the call of situations much more tailor itself to the whims and caprices of government and the people who run it."

A brief recall on this instant appeal reveals that on 7th day of February 2018, the Honorable Regional Trial Court (RTC thereafter), Branch 21 Cagayan de Oro City in the Civil Case No. CV-ORD-2015-061 rendered judgment, the dispositive portion of which reads as follows:

*"WHEREFORE, there being preponderance of evidence in favor to the plaintiff, the following are declared:*

*1) the plaintiff is the legal owner of the property and the alleged claim of the defendants which cast cloud on the property of the plaintiff being the legal owner is hereby removed;*

*2) The defendants have to vacate and remove the residential building/s and structures from the premises of the litigated property within the parameter of TCT No. T-206431."*

On the 28th February 2018, the affected families through our counsel filed a motion for reconsideration. Whereas, on 5th June 2018, plaintiff's counsel filed a comment to the Motion for Reconsideration filed by defendant's counsel and then the pending incident was submitted for resolution.

Whereas, on 27th day of June 2018, the Court Denied the motion for reconsideration filed by the defendants. Whereas, on August 2, 2018, the defendants filed a Notice of Appeal. on even date, the court issued an order the appeal being sufficient in form and substance, the same was Granted.

Whereas, on February 13, 2019, an Entry of judgment was issued by the Court of Appeals certifying that the Resolution in the above-entitled case was filed, the dispositive portion of which reads as follows:

*“In view of appellant's failure to comply with the foregoing rules, this court resolves to DISMISS the present appeal.”*

Whereas, on August 20, 2020, a Resolution from the Honorable Court of Appeals reached the affected families and that the same has become final and executory and is hereby recorded in the Book of Entries of judgments.

Whereas, on the February 3, 2023, the Court issued an order for the issuance of a Writ of Execution.

Whereas, on March 17, 2023 the Court issued a Notice to Vacate through Sheriff Efren G. Macabaya, notifying the occupants, their privies, their agents, assigns and John Doe to vacate the place and turn over to the plaintiff's Lenjul Realty Corporation and to comply this writ of reckoned within the given 15 days from the receipt of notice.

The affected occupants did not waste time to seek assistance from the City Government through the City Housing Committee Chair Councilor Edgar Cabanlas requesting the honorable to exhaust possible means that the occupants must be accorded with procedural due process before the occupants can be deprived of their right to the property and be given constitutional mandate and imposes an obligation on the part of Lenjul Realty Corporation to comply with the pre-requisites of RA 7279. The same was responded through City Resolution No. 14576-2023. (See Annex A)

The affected occupants took proactive steps by submitting a Letter of Intent to Buy to Cadastral Lot No. 1982-C-1 owned by Lenjul Realty Corporation covering an area of Three Thousand Nine Hundred Twenty Two (3,922) Square Meters on April 27, 2023, proposing an offer of 5,350 pesos per square meter for cash payment Up-front and 7,500 pesos for the deferred payment of Five years (See Annex B). Several months later, the occupants received a response via a phone call from a representative of Lenjul Realty Corporation, indicating that the property is available for purchase at a rate of 50,000 pesos per square meter an amount that grossly exceeds the value of lands similarly situated in our area.

The affected families was long occupied over the property where the writ of demolition was sought to be enforced. (See Annexes C). We therefore have neither the right not to be evicted nor our dwellings be demolished, except in accordance with law and in just and humane manner. **Section 10 Article 13 of the 1987 Constitution** of the Republic of the Philippines provides that, to wit;

**“Urban or rural poor dwellers shall not be evicted nor their dwellings demolished, except in accordance with law and in a just and human manner.”**

While our Constitution enshrine affected occupants right, there is a law that operationalizes such constitutional mandate and imposes an obligation on part of the Lenjul Realty Corporation to comply, the **RA 7279** or the **Urban Development and Housing Act of 1992** (an Act to provide for a comprehensive and continuing urban development and housing program, establish the mechanism for its implementation, and for other purposes). Thus, **Section 28, RA 7279** therefore provides, to wit;

"Sec. 28. Eviction and Demolition. – Eviction or demolition as a practice shall be discouraged. Eviction or demolition, however, may be allowed under the following situations:

In the execution of eviction or demolition orders involving underprivileged and homeless citizens, the following shall be **mandatory**:

1. Notice upon the affected persons or entities at least thirty (30) days prior to the date of eviction or demolition;
2. Adequate **consultations** on the matter of settlement with the duly designated representatives of families to be resettled and the affected communities in the areas where they are to be relocated;

xxx

8. Adequate **Relocation**, whether temporary or permanent: Provided, however, that in cases of eviction and demolition pursuant to a court order involving underprivileged and homeless citizens, **relocation shall be undertaken** by the **Local Government Unit** concerned and the **National Housing Authority** with the assistance of other government agencies within forty-five (45) days from service of notice of final judgment by the court, after which period the said order shall be executed: Provided further, that should relocation not be possible within the said period, financial assistance in the amount equivalent to the prevailing minimum daily wage multiplied by sixty (60) days shall be extended to the affected families by the local government unit concerned.

Therefore, it is more urgent that this appeal before the City Council of Cagayan de Oro be granted to pave way for the compliance of the above requirements under **RA 7279**;

For the sake of humanity, herein affected occupants houses to be demolished the basic pre-requisite must be provided by law and jurisprudence that is we must first be provided with Relocation be it On-Site and or Off-Site

It is the affected occupants solemn prayer and manifestation that **HELP** may still be served upon us rather than never, and;

That we the affected occupants deserve the state values for the dignity of every person and guarantees full respect of human rights, hence, we respectfully prayed and appeal to the City Government of Cagayan de Oro, to explore all possible remedies for the acquisition and/or expropriation of the Parcel of land owned by Lenjul Realty Corporation under the **GOVERNMENT RIGHT TO REDEMPTION**. This initiative aims to preserve our homes in line with any applicable mechanism housing development program of the City Government of Cagayan de Oro.

While the benefits of such an action cannot be solely measured in terms of expenses but extend to providing an immeasurable sense of security for the beneficiaries, it surpasses the mere monetary value of the property. This endeavor seeks to end the hardships endured by the affected residents, allowing them to shift their focus towards more productive pursuits without the looming threat of impending demolition.

WHEREFORE, we earnestly request and pray to **HON. VICE MAYOR JOCELYN RODRIGUEZ AND THE CITY COUNCIL**, City of Cagayan de Oro, in the best interests of justice, fairness, and equity, the affected occupants do hereby implore Your prerogatives to grant our request. In light of these principles, the affected occupants humbly appeal for the privilege of being heard in a suitable forum within the jurisdiction of the City's Legislative body. The request is made to prevent the episode leading to grave and irreparable injury at our expense.

Affected occupants herein, at the risk of being redundant will echo over and over again the same valid and strong arguments which, although frequently repeated was in fact not really considered by merits of almost all forums that it had.

Affected occupants, with all its humiliation still has courage to plea to this Honorable City Council to take a look to our valid and reasonable arguments, decision and order be granted, viz:

1. Requesting City Council to initiate the invitation process for the participation of LENJULS REALTY CORPORATION authorized representative and/or decision maker in negotiations for the sale. the aim is to deliberate on the price per square meter, fostering a mutually beneficial resolution. Additionally, exploring potential agreements for Bank Financing and/or the Community Mortgage Program (CMP) of the Social Housing Finance Corporation (SHFC) in accordance with the provisions of R.A. 9904.
2. Requesting City Council to initiate the process of a RIGHT TO REDEMPTION, to buy back the parcel of land Cadastral Lot No. 1982-C-1 owned by LENJULS REALTY). (Attached Original lot Price per Sq. m., acquired from NHA (*Annex D*).
3. Requesting the City Council to grant the affected occupants ON-SITE Relocation.
4. We are seeking the City Council's evaluation of City Resolution No. 11940-2015, adopted on the 2nd day of February 2015 (see Annex E). This reference is crucial for thorough consideration in our letter directed to the Honorable Mayor Rolando "Klarex" Uy, dated 10 October 2023, submitted on People's Day (see Annex F).
5. Other relief and remedies consistent with the principles of City Legislative body are also requested and prayed for.

In accordance with the decision of Civil Case No. 11204, the persuasive evidentiary value of all submitted documents led the Honorable Court to conclude that COLRAI, now CILRAI, were not merely squatters on the parcel of land identified as cadastral lot 1982. The occupants affected by this case are recognized as integral parts of the broader 12.4-hectare area occupied by CILRAI, as indicated in the attached document labeled as (*Annex G*).

It is a basic principle of social justice in our democratic society that the priority in the award of public lands is always in favor of the poor landless citizens, especially if involved the award of public land for homelots or residential purposes; (**see Annex H, showing proof that CILRAI is still public land.**)

This is the same principle when the President of the Philippines issued Proclamation No. 2290, dated October 29, 1986, that the primordial purpose of said proclamation was because "the Government is committed to the proposition that human settlements is an integrated concept embracing the interdependence of man's environment, shelter and structure and the

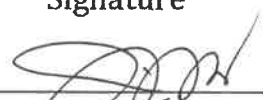

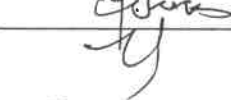

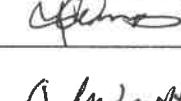

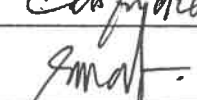

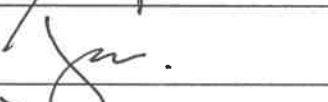

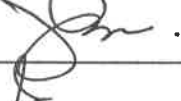

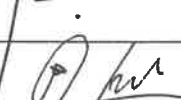

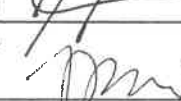

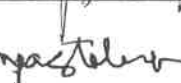

design and organization of human communities with opportunities for employment and livelihood consistent with a national framework plan, to attain the peoples well-being. (see Annex I). It is also very clear on the second paragraph of Proclamation No. 2290, which the mandate of the Nationwide Slum Improvement and Resettlement Program is to meet the housing needs of the Poor, and not the commercial and industrial needs of Big Business Corporation.

The Cagayan Integrated Landless Residents Association, Incorporated-CILRAI formerly (COLRAI) together with the Affected Occupants of this instant appeal, believes that the continuing implementation and support of the community development, empowering women and children program of the City Government, can uplift the condition of the under-privileged and homeless citizens in the community by making available to them decent housing and basic services in urban and resettlement sites, as reasons for compassionate justice and equity.

With our highest esteem regards,

We are,

**RESOLUTION URGING THE HONORABLE CITY MAYOR ROLANDO "KLAREX" A. UY; THE HONORABLE CITY COUNCILOR ROMEO V. CALIZO, CHAIRPERSON OF THE COMMITTEE ON PUBLIC UTILITIES; AND ENGR. NONITO A. OCLARIT, DEPARTMENT MANAGER OF THE ROADS AND TRAFFIC ADMINISTRATION, TO REINFORCE THE STRICT IMPLEMENTATION OF PARKING REGULATIONS AS PRESCRIBED IN ARTICLE XI OF THE TRAFFIC CODE OF THE CITY OF CAGAYAN DE ORO.**

*Whereas*, Article IV, Sections 46 and 47 of RA 4136, otherwise known as the Land Transportation and Traffic Code, states the prohibitions in parking.

*Whereas*, due to the lack of parking infrastructure within the city proper and outside of its proximity, individuals tend to leave their vehicles situated in zones prohibited for parking; those zones being explicitly stated in Article XI, Section 55 and Appendix IV of the Traffic Code of the City of Cagayan de Oro, or RA 10551.

*Whereas*, vehicle owners tend to utilize their hazards as a means to occupy prohibited parking zones — loading and unloading areas for instance.

*Whereas*, the congestion of traffic is furthered due to vehicles illegally parked along restricted zones, which is a factor that impedes the rate of which vehicles are transiting along a road.

*Whereas*, access and passage to commercial establishments are obstructed by illegally parked vehicles, which may affect the flow of commerce at a particular point of time.

*Whereas*, parking zones that are designated exclusively for patrons for a commercial establishment are being occupied by vehicles of individuals who do not intend to be a patron of said commercial establishment, which is explicitly prohibited under Article XI, Section 55 of the Traffic Code.

*Whereas*, there are vehicles parked outside of designated parking zones and residential driveways occupied by other vehicles with or without hazards obstruct individuals from vacating the establishment and said designated parking zone.

*Whereas*, vehicles parked by a curb closest to an intersection may incur difficulty in turning for transiting vehicles, which is explicitly prohibited under Article XI, Section 55 of the Traffic Code.

*Whereas*, there are vehicles parked outside of establishments and on public parking zones for the sole purpose of retailing them off, which is explicitly prohibited under Article XI, Section 55 of the Traffic Code

*Whereas*, there is an observation of the lack of enforcers in the enforcement of the provisions prescribed by the Traffic Code of the City of Cagayan de Oro by the Road Traffic Authority (RTA) wherein enforcers are absent to address the existing illegal parking issue within and outside of the city proper.

**ROTARY YOUTH CITY COUNCIL  
BATCH 2023  
November 13-17, 2023**

*Whereas*, to facilitate the free and fair flow of parking for all individuals, the government will establish a scheduling system with strict supervision by the RTA.
