RESOLUTION NO. 14913-2024

RESOLUTION AMENDING RESOLUTION NO.14895-2024, SO AS TO DELETE THEREIN THE PHRASE: "Provided, That the said corporation will only charge its customers ₱15.00 per cu.m. for the first three years of its operations and may increase the same to not more than ₱16.00 per cu.m. on the fourth year up to the fifteenth year of its operations"

Whereas, this Body during its Special Session on April 8, 2024 adopted Resolution No. 14895-2024, entitled: *Resolution interposing no objection to the application of Rio Verde Water Consortium, Inc., represented by its President, Engr. Joffrey E. Hapitan, to provide an end-to-end Level III Water Supply for all barangays in Cagayan de Oro City, which are either waterless or have not been adequately supplied by the Cagayan de Oro Water District (COWD); Provided, That the said corporation will only charge its customers ₱15.00 per cu.m. for the first three years of its operations and may increase the same to not more than ₱16.00 per cu.m. on the fourth year up to the fifteenth year of its operations;*

Whereas, in drafting the said Resolution, some members of this Council misunderstood Rio Verde's statement about such water tariff as its proposed household water rate in the City instead as its bulk water supply rate in case of emergency purchase by the Cagayan de Oro Water District (COWD);

Whereas, it is not within the authority of this Council to regulate the prices of water by public utilities but it is vested in the National Water Resources Board (NWRB);

Whereas, it is only proper to make the necessary amendment of the said Resolution;

Wherefore, on motion by Councilor Edgar S. Cabanlas, duly seconded by Councilors Romeo V. Calizo and George S. Goking, be it

Resolved, to amend Resolution No.14895-2024 by deleting therein the phrase "Provided, That the said corporation will only charge its customers ₱15.00 per cu.m. for the first three years of its operations and may increase the same to not more than ₱16.00 per cu.m. on the fourth year up to the fifteenth year of its operations", to read as follows:

"RESOLUTION NO. 14895-2024

'RESOLUTION INTERPOSING NO OBJECTION TO THE APPLICATION OF RIO VERDE WATER CONSORTIUM, INC., REPRESENTED BY ITS PRESIDENT, ENGR. JOFFREY E. HAPITAN, TO PROVIDE AN END-TO-END LEVEL III WATER SUPPLY FOR ALL BARANGAYS IN CAGAYAN DE ORO CITY, WHICH ARE EITHER WATERLESS OR HAVE NOT BEEN ADEQUATELY SUPPLIED BY THE CAGAYAN DE ORO WATER DISTRICT (COWD)

Whereas, Cagayan de Oro City is facing a looming water supply crisis brought about by legal issues between the Cagayan de Oro Water District (COWD) and its bulk water supplier, the Cagayan de Oro City Bulk Water, Inc. (COBI);

Whereas, notwithstanding the said issue, many residents in the City are still facing the problem of inadequate to no water supply;

Whereas, Rio Verde Water Consortium, Inc. has signified its interest to provide an end-to-end Level III Water Supply for barangays in the City that have no or in short supply of potable water;

Whereas, His Honor, City Mayor Rolando A. Uy has made an urgent request for this Body to interpose no objection to the application of Rio Verde Water Consortium, Inc. to undertake water distribution in the City;

Whereas, after thorough deliberation, this Body finds the request of Rio Verde Water Consortium, Inc. advantageous not only to the residents of the City but to its economic development as well;

Wherefore, on motion by Councilor Edgar S. Cabanlas, severally seconded by the members present, be it

Resolved, to interpose no objection to the application of Rio Verde Water Consortium, Inc., represented by its President, Engr. Joffrey E. Hapitan, to provide an end-to-end Level III Water Supply for all barangays in Cagayan de Oro City, which are either waterless or have not been adequately supplied by the Cagayan de Oro Water District (COWD);

Resolved further, to forward this Resolution to **Engr. Joffrey E. Hapitan**, President, Rio Verde Water Consortium, Inc.; and to **His Honor, City Mayor Rolando A. Uy**, for their information.

APPROVED BY MAJORITY.

Section 21. Purok Aid. All purok organizations may be entitled to an annual purok aid in the amount not less than Three Thousand Pesos (P3,000.00) for the operation of the said purok. The Sangguniang Barangay may increase the incentives as the need arises and when funds so warrant.	Section 21. Purok Aid. The Sangguniang Barangay may provide an annual purok aid to the purok organizations within its jurisdiction in the amount not less than Three Thousand Pesos (P3,000.00) for the operation of the said purok. The Sangguniang Barangay may increase the incentives as the need arises and when funds so warrant.	It is worth noting that the City Government has already earmarked substantial funding requirements for the other provisions of the ordinance, particularly the incentives and prizes under Section 19. Thus, it is highly recommended to specify that the purok aid be provided by the Sangguniang Barangay.
Section 22. Imposition of Purok Fees. Purok Council may impose fees in connection with the issuance of purok clearance or certification, or membership dues; <i>Provided</i> , it must be approved by the purok assembly and confirmed by the Sangguniang Barangay.	<i>Deleted.</i>	The purok clearance or certification or membership dues are not strictly required to be issued under the ordinance. It is not even a mandatory requirement for the issuance of a Barangay clearance or certification. Thus, the imposition of Purok fees may be considered as an added burden to the purok members/residents. In light thereof, the undersigned deems it no longer necessary for the purok council to charge purok fees.

Given the foregoing, I respectfully request that the above-mentioned Ordinance be enacted, signified as *urgent*, amending Section 15 Article II and Sections 19, 21 and 22 Article III of City Ordinance No. 14726-2024.

Hoping for your favorable and prompt response on this request.

Thank you.

Truly yours,

ROLANDO. CLAREXA. UY
 City Mayor

FRANCHISING AND REGULATORY BOARD (LTFRB)**

LADIES AND GENTLEMEN:

This pertains to the LTFRB's Invitation to the City Government of Cagayan to participate in the Public Utility Service Contracting (PUVSC) Program – Phase 4 under the General Appropriations Act (GAA 2023).

Republic Act No. 11936, otherwise known as the General Appropriations Act (GAA) of 2023 appropriated P1,285,000,000.00 to enhance the level of service provided on routes by offering performance-based payouts to Public Utility vehicles (PUV) operators, aiming to encourage high-service standards and enhance the overall commuting experience for the public transport through the implementation of the Public Utility Vehicle Service Contracting (PUVSC) Program. The PUVSC generally aims to improve the efficiency, safety, and reliability of public transportation systems by engaging the support and collaboration of different local government units (LGUs) to facilitate the broad engagement of public transport cooperatives, associations, or corporations operating within the LGU's jurisdiction.

MEMORANDUM CIRCULAR
NO. 2024-006

SUBJECT: GUIDELINES IN THE IMPLEMENTATION OF PUBLIC UTILITY VEHICLE SERVICE CONTRACTING (PUVSC) PROGRAM WITH IDENTIFIED AND QUALIFIED LOCAL GOVERNMENT UNITS PURSUANT TO REPUBLIC ACT NO. 11936 OTHERWISE KNOWN AS THE GENERAL APPROPRIATIONS ACT (GAA) OF 2023

WHEREAS, under Republic Act (R.A.) No. 11936, otherwise known as the *General Appropriations Act (GAA) of 2023*, appropriated One Billion Two Hundred Eighty-Five Million Pesos (Php1,285,000,000.00) to enhance the level of service provided on routes by offering performance-based payouts to Public Utility Vehicle (PUV) operators, aiming to encourage high service standards and enhance the overall commuting experience for the public through the implementation of Public Utility Vehicle Service Contracting (PUVSC) Program;

WHEREAS, the said program is to be implemented in partnership with Local Government Units (LGUs) to facilitate the broad engagement of public transport cooperatives, associations, or corporations operating within their jurisdiction;

WHEREAS, pursuant to Joint Memorandum Circular (JMC) No. 004, Series of 2023, or the *Guidelines in the Implementation of Public Utility Vehicle (PUV) Service Contracting Program on identified Local Government Units*, under GAA 2023, the aforesaid Memorandum shall cover and govern the localized implementation of the program, which applies to all partnerships between concerned agencies, its regional offices, partner institutions, and the LGUs wherein the program will be implemented.

NOW THEREFORE, for and in consideration of the foregoing, the Board hereby prescribes the following guidelines and criteria for the effective implementation of the PUVSC with identified and qualified LGUs, and the corresponding payment scheme:

I. GENERAL GUIDELINES:

A. Objectives

In line with the LTFRB's vision and Public Transport Modernization Program's (PTMP) principles of a "comfortable, accessible, safe, sustainable, and affordable" mode of public transportation, the PUVSC aims:

- (a) to incentivize PUV operators to maintain routes, adhere to the approved Service Plan, and provide safe and reliable transportation to commuters; and
- (b) to address various challenges in the public transportation sector, such as, but not limited to, low (or insufficient) revenues for operators, low ridership, inadequate maintenance of vehicles, and irregular service frequencies.

By providing financial incentives and support to PUV operators through a performance-based payout, the PUVSC seeks to enhance the overall commuting

experience for the passengers, promote the use of public transit, and contribute to the development of a more efficient and reliable transportation system.

B. Type of Service Contract

Net Service Contract - Onboarded PUV operators shall operate under a farebox collection scheme. In addition, they shall be paid based on the actual trips served and maximum allowable trips per day as provided in the approved Service Plan, contract, and existing policy. The PUV operators must strictly operate on their authorized and existing route.

C. Definition of Terms

For the purpose of implementing this Memorandum Circular for the PUVSC, the following definitions shall be set forth herein:

1. **Public Utility Vehicle Service Contracting (PUVSC) Program** The PUVSC is a form of program subsidizing transportation operations by contracting Transport Service Entities (TSEs) and paying the services they rendered on a "per trip" basis.
2. **Transport Service Entity (TSE)** It refers to transport operators who formed cooperatives and corporations under the Public Transportation Modernization Program (PTMP), and shall be eligible operators of Public Utility Vehicle (PUV).
3. **Public Utility Vehicles (PUVs)** These are modes of services operating on a fixed route such as Public Utility Jeepney (PUJ) and Utility Vehicle Express (UVE).
4. **Public Utility Jeepney (PUJ)** PUJ refers to either traditional, modernized or FILCAB which operates along fixed intra- and inter-city routes, picking up and dropping off passengers at designated stops.
5. **Utility Vehicle Express (UVE)** UVE refers to either a traditional or modernized unit, just like a PUJ, that is authorized by the government to operate along fixed intra- and inter-city routes, picking up and dropping off passengers at designated points.
6. **Identified and Qualified LGU** Highly Urbanized Cities (HUCs), Independent Component Cities (ICCs), and Component Cities (CCs) that met the criteria and guidelines formulated by the Technical Working Group (TWG).
7. **Intra-city Routes** Intra city routes refer to transportation pathways or roads that involve travel

from one point within a city to another, regardless of road or highway connections, as long as the destination remains within the same city.

8. Inter-city Routes

Inter-city routes refer to transportation pathways or roads that connect two or more distinct cities, regardless of whether the PUV traverses a municipality or a city outside the qualifications provided herein. The determining factor is that the PUV starts its trip from a particular LGU that meets the criteria set forth by this Memorandum Circular and travels to another city with the same qualifications.

II. PROGRAM COVERAGE

The program shall cover the following:

A. Local Government Units

The LTFRB shall enter into an Agreement with the identified and qualified LGUs, which can be any of the following:

1. Highly Urbanized Cities (HUCs);
2. Independent Component Cities (ICCs); and
3. Component Cities (CCs).

B. PUV Operators/Units

Qualified TSE operating PUJ (Traditional, Modernized, or FILCAB) and UVE (Traditional and Modernized) shall enter into a Service Contract Agreement (SCA) with the LTFRB, the identified and qualified LGU, Global Positioning System (GPS) providers under a Net Service Contract.

A. Local Government Unit Program Participant

The Department of Interior and Local Government (DILG) shall issue a Memorandum Circular to the identified and qualified LGUs. The LTFRB-CO/RFRO shall send a letter to the said LGUs, inviting them to participate in the program. Thereafter, the LGU shall confirm its participation through a letter of confirmation to be submitted to LTFRB-CO/RFRO for the evaluation and assessment of the qualified routes and TSEs within their jurisdiction.

The LGU will be notified if the said routes and the TSEs are qualified to the program for the execution of the SCA upon completion of the requirements.

Should the LGU opt not to participate in the program, the funds originally allocated to its respective qualified TSEs, shall be reallocated to all the onboarded TSEs within the region regardless of denomination, subject to the usual accounting and auditing procedures.

B. Transport Service Entities

The TSEs shall accomplish a TSE Assessment Form provided, assessed, and approved by the LTFRB-CO/RFRO.

Once approved, the qualified TSEs shall submit the original/certified true copies of the abovementioned requirements to the LTFRB-CO/RFRO.

For auditing purposes, all documents listed above shall be submitted and evaluated by the LTFRB-CO/RFRO prior to the onboarding of the TSEs into the program. Once validated, the LTFRB-CO and/or RFRO and the LGU shall provide onboarding orientation to the qualified TSEs before the LTFRB-CO/RFRO sends the onboarding notice.

VII. SERVICE PLAN

The LTFRB-CO/RFRO will develop a Service Plan, which prescribes the route details, the allowed number of trips, and the required deployed units, subject to the approval of the Franchise Planning and Monitoring Division (FPMD) for the LTFRB-CO, and respective Regional Directors for the RFRO.

A. Guidelines

- a. Minimum number of units to be deployed per day for TSEs with six (6) or more consolidated units onboarded shall be at least 80%; whereas, in cases where the number of onboarded units is less than six (6), it is required that all onboarded units are deployed daily;

Memorandum Circular No. 2024 - 006
 Guidelines in the Implementation of Public Utility Vehicle (PUV)
 Service Contracting Program with identified and qualified Local Government Units pursuant to
 Republic Act No. 11936 otherwise known as the General Appropriations Act (GAA) of 2023

- b. Minimum number of trips per unit on a specific day shall be in accordance with the approved Service Plan which provides for a 100% unit trip;
- c. Actual number of trips shall be determined by the actual kilometer-run but not more than the prescribed allowable kilometer-run;
- d. TSEs are not entitled to increase trips on their own, as unauthorized trips will not be considered for payment;
- e. Any route exceeding the prescribed maximum route length of 100 kilometers shall not be qualified in the program; and
- f. Any excess from the maximum allowable kilometer-run per unit per day shall not be paid.

Below is the set maximum allowable kilometer-run per unit per day under the Service Plan:

Denomination	Maximum Kilometer-run per Unit per Day	
	Modernized	Traditional
PUJ	182 kms	164 kms
UVE		

B. Route Structure

- 1. Route structure may be considered for modification for any of the following reasons:
 - a. Road closure;
 - b. Re-routing; and
 - c. Other similar or analogous reasons.
- 2. Evidence such as memorandum, local ordinances, and other relevant issuances citing the reasons shall be submitted to the LTFRB-CO/RFRO to support the request for route modification; and
- 3. In case of route modification, a new Service Plan will be issued.

VIII. MONITORING SCHEME

Payouts should be based on the report of kilometer-run generated from the appropriate GPS device installed in the onboarded authorized unit.

IX. RATE

The Net Service Contract rate shall be:

- a. PUJ (Traditional and FILCAB) and TUVE = Php 20.00 per kilometer run; and
- b. Modernized PUJ and UVE = Php 26.00 per kilometer run.

X. PAYMENT SCHEME

Regular payouts shall be computed on a weekly basis from Sunday to Saturday. The payout shall only be processed by the LTFRB-CO/RFRO upon submission of the GPS Trip Report Certification. It is upon compliance with the required submission of the documents that the payouts will then be credited to the TSEs' respective accounts.

The regular payout shall be computed based on the following computation:

1. Regular Payout = number of trips per week x rate per trip
2. Rate per trip = route length x rate per kilometer
3. Rate per kilometer = Php 20.00 (TPUJ, FILCAB, and TUVE), Php 26.00 (MPUJ and MUVE)

Trip-cutting, fractional or uncompleted trips shall not be considered as one (1) trip; thus, shall not be paid.

Moreover, (a) should the TSEs fail to render the required percentage of deployment per day, the same shall not be qualified to the payout for that particular day; (b) should a unit fail to render the required number of trips on a specific day, even when the TSE meets the required percentage of deployment for the day, based on the Service Plan guidelines, the non-compliant unit shall be disqualified to the payout of that particular day; (c) should a PUV unit encountered mileage discrepancy due to GPS device problem or loss of signal, the trip/s rendered shall only be paid if the mileage between the data captured by the GPS device and the route does not exceed the threshold of twenty percent (20%) or one (1) kilometer (km) of the route length, whichever is lower, and the PUV must have reached the end point of the route and completed trip. Any discrepancies exceeding the threshold shall not be paid.

XI. PERFORMANCE-BASED INCENTIVES AND PENALTIES

A performance-based incentive equivalent to two percent (2%) of the regular payout of the unit shall be paid on top of the computed regular payout to the specific unit of TSEs who complies with the following: (a) the required daily deployment of units; and (b) the required daily number of trips (one-way) per unit per week (Sunday to Saturday) as per approved Service Plan.

Failure to render the required percentage of deployment and trips per unit per day precludes entitlement to performance-based incentives.

XII. ACCOUNTING, PAYMENT SYSTEM AND LIQUIDATION

The LTFRB, through the Technical Working Group (TWG), Financial and Management Division (FMD) and Program Implementing Unit (PIU), shall ensure that funds allocated for the program are properly utilized, liquidated, and accounted exclusively for the implementation of this program in accordance with the existing accounting and auditing rules and procedures.

The LTFRB-CO shall enter into a Memorandum of Agreement (MOA) with the RFRO for the transfer of funds to the latter exclusively and strictly for the implementation of this program and shall not be used for other regular activities of the agency. Weekly original monitoring documents, such as the hard copy of the GPS Trip Report Certification, shall be submitted by the GPS providers to the LTFRB-CO/RFRO. The monitoring documents shall serve as basis for the Financial Reports to be submitted to the FMD.

To facilitate payment under the program, the following procedures shall be observed:

- a. The LTFRB-CO/RFRO shall prepare the payroll based on the originally signed GPS Trip Report Certification from the GPS providers, and submit other related supporting documents for the eligible TSE;
- b. The LTFRB-CO/RFRO shall ensure correctness, accuracy, and completeness of the payrolls;
- c. The LTFRB-CO/RFRO shall prepare the corresponding Obligation Request and Status and Disbursement Voucher to be endorsed to the FMD (if processed in the Central Office) or Accounting and Budget Unit (if processed in RFRO) for validation and approval of disbursement; and
- d. The LTFRB-CO/RFRO shall ensure that the disbursement of funds will strictly comply with existing accounting and auditing procedures.

XIII. PENALTY FOR NON-COMPLIANCE

Failure of the onboarded TSE to adhere to any terms and conditions of the entered Agreement and any provisions of this Memorandum Circular shall be penalized in accordance with the existing policies of the LTFRB. The same shall be a ground for the disqualification of the said TSE from similar programs of the Agency.

XIV. CREATION OF LTFRB TECHNICAL WORKING GROUP (LTFRB-TWG)

An LTFRB Technical Working Group (TWG) shall be formed to provide expertise, guidance, and recommendations on complex or specialized topics concerning the PUVSC that may require in-depth technical knowledge and analysis. With this, the TWG shall compose of the following:
