HON. JOCELYN B. RODRIGUEZ
Vice Mayor
Cagayan de Oro City

Dear Hon. Jocelyn,

Greetings of peace!

As the number of COVID-19 cases continue to go down and alert levels have been lowered to Level 1, generating demand for vaccination is a challenge many local government units are facing. This along with the falling childhood immunization rates caused by the disrupted health systems due to the pandemic. To reach the remaining adult and pediatric unvaccinated populations requires a more targeted, creative and innovative strategies.

Relief International (RI) through the members of its Philippine Country Office and in partnership with UNICEF, intend to continue its collaboration with the government of the Philippines by providing risk communication and community engagement (RCCE) technical support to the Department of Health – Region 10 in increasing and managing demand for COVID-19 vaccination and routine immunization among the remaining unvaccinated populations in the cities of Iligan and Cagayan de Oro from January to June 2023. The following are the general objectives:

- *Strengthen the capacity* of sub-national governments in the development and implementation of RCCE/demand generation plans to increase COVID-19 vaccination coverage.
- *Improve awareness and understanding* of the benefits of COVID-19 vaccination and other preventive actions, risks of getting COVID-19, and relevant services among vaccine-eligible populations and other members of the community.
- *Strengthen the capacity of community frontline workers* in communication with eligible individuals and other members of the community on COVID-19 vaccination.
- *Strengthen community support* to COVID-19 vaccination and the continuing practice of other preventive actions.
- *Facilitate access* to feedback mechanisms among vaccine-eligible populations and other members of the community.

RI and UNICEF plan to execute said objectives through the following activities:

- Technical support for planning/updating the demand generation plans for COVID 19 vaccination;
- Conduct supportive supervision and continuous training for community healthcare workers on COVID-19 vaccination, routine immunization and RCCE Advocacy meetings with local officials to resolve issues and trigger local actions;
- Social mobilization of community-based organization and influencers, seeking endorsements (participatory activities with community members, including young people, Indigenous Population communities, etc.);

- Conduct vaccine promotion sessions, COVID-19 and routine immunization IPC awareness in the communities, group learning sessions and house to house visits;
- Support to healthcare workers, vaccinators and other frontline volunteers during outreach activities;
- Public Service Announcement across several platforms; and
- As needed: translation/creation and distribution of IEC materials

In relation to the above-mentioned activities, we would like to commence coordination with your office and conduct courtesy meeting on **April 24, 2023** on your available and convenient time. The meeting covers the following agenda:

1. Introduce the project implementing team. RI and UNICEF project implementing team;
2. Present the project implementation objectives, components, and activities within the project timeline;
3. Discuss and identify significant and relevant social mobilization and health promotion activities to complement ground efforts and strengthen partnerships to bolster initiatives in increasing vaccination and immunization coverage in the intervention areas;
4. Secure commitment, expression of interest and/or statement from partners to support the advocacy and public awareness campaign of COVID-19 and upcoming MR-bOPV SIA; and
5. Seek other recommendations and endorsements from other partners or stakeholders to contribute positively to the success of the project and campaigns.

We would also like to request the key persons who are involved in any health promotion or community extension programs of your office or organization to join us during the courtesy meeting for us to level-off all the project components and possible support during the implementation.

We are looking forward to a harmonious and meaningful partnership with you!

Dear Mayor Klarex:

A splendid greetings from **LANDBANK!**

This pertains to the letter we received on March 3, 2023 from the Office of the City Council re: **MOA on ATM Installation** and **ATM Payroll Facility** with the corresponding comments from our Legal Officer, viz:

As to **MOA on ATM installation**:

The Branch accedes to the recommendation of omitting the word "all", hence the MOA revision as attached.

As for **MOA on ATM PAYROLL**:

The Branch accepts and effects the necessary correction as noticed by the August Body. However on the cited Sections, our Legal Officer opined as:

Both Sections may be retained as the two provisions are complementary clauses. Section 12 of the General Provisions tackles the limited liability of the Bank, its officers and employees in relation to written instructions of the LGU-CDO in regulating specific transactions concerning the individual payroll account.

While Section 8 of the Miscellaneous Provisions is broader and refers to the entirety or the universal indemnity of LGU-CDO in terms of any liability that may arise in relation to all provisions in the agreement.

With all due respect to the interpretation of the legal officers of LGU-CDO, the undersigned maintains that the two provisions are intended to be effected together. These two provisions are meant not only to protect the interest of bank but also the funds entrusted by LGU-CDO.

Moreover, Section 7 of the MOA expressly defined the limited liability of all parties and that each party is liable to answer for the damage and liability which is attributable to the gross negligence or willful misconduct of its own officers, representatives or employees. Hence, culpability of each party committing fraud, negligence or evident bad faith is already well defined.

We hope and pray that you find everything in order and we are providing you the amended MOA on the aforementioned facilities. Please feel free to contact us thru mail or e-mail us at lbpcapistranobr@gmail.com or you may call us up at tel. no. (088)856-693 on your concern/s.

We are happy to serve and we always live by our tagline "Serving the Nation" and our countrymen as we continue to raise the bar in the public sector. Cagayan de Oro City

Dear Sir,

Greetings!

This is in response to your endorsement dated 24 January 2023 relative to the request for opinion, comment and recommendation on the Memorandum of Agreement (MOA) between the City Government of Cagayan de Oro (City) and the Landbank of the Philippines (LBP) relative to the City's Use of LBP's Automated Teller Machine (ATM) Payroll Facility and the Installation of one (1) LBP ATM booth in the City Hall.

In In this connection, kindly be informed that this Office has thoroughly reviewed the above-mentioned document and the following recommendations are respectfully forwarded:

1. Section 2 of the draft MOA for the Use of LBP's ATM Payroll Facility states that "**LGU-CDO shall cause all its personnel/employees, regardless of appointment status, to open at LANDBANK-(Capistrano Branch) a LANDBANK ATM Payroll Account subject to an average maintaining balance requirement of one hundred pesos only (P100.00) and other applicable terms and conditions.**"

It must be noted that the City is also currently availing payroll facilities of other banking institutions and has existing agreements with such institutions for the said service. As such, to require that all personnel and employees of the City to open a payroll account with LBP might be a violation of such existing agreements. Accordingly, it is strongly recommended that the word "ALL" in the first sentence of such provision be omitted or that such be restated to refer only to employees/departments whose payroll will be covered by the said bank.

2. Section 12 of the same MOA provides that "**LGU-CDO shall indemnify LANDBANK, its officers or employees, from any and all liabilities arising from or relating to any transaction carried out by LANDBANK in accordance with the written instruction of LGU-CDO such as, without limitation, effecting payroll adjustment, dishonoring or disallowing withdrawal, stopping, holding payment, or closing any payroll account.**"

Meanwhile, Section 8 of the Miscellaneous Provisions of the same agreement states "**Indemnity. The LGU-CDO shall defend, indemnify, and hold LANDBANK, its officers, representatives and employees, free and harmless from and against all claims, damages, liabilities and costs of every kind and character resulting from or relating to the inaccuracy, nonfulfillment or breach of any representation, warranty, covenant or obligation of the LGU-CDO (sic) As disbursing**

agent of LGU-CDO (sic) LANDBANK assumes no responsibility for the accuracy of the data supplied by the LGU-CDO."

Both provisions stipulate the limited liability of LBP on any transaction it will perform by virtue of this agreement. However, Section 12 makes no mention of the culpability of LBP in instances where act/s of fraud, willful misconduct, gross negligence or evident bad faith on its part are involved. Whereas Section 8 provides a clearer stipulation that LBP shall not be held liable in cases where the City itself commits the inaccuracy or breach of any of its own obligations under the agreement.

As such, in the interest of fairness and in order to do away with redundancy, it is strongly suggested that Section 12 be omitted and deleted while Section 8 of the Miscellaneous Provisions be retained.

3. With regard to the MOA for the Installation and Establishment of one (1) ATM Booth within the premises of the City Hall, the City is introduced as a party to the agreement as ***"LGU OF CAGAYAN DE ORO CITY, a government agency created and existing within the territory ad jurisdiction of the Republic of the Philippines, with principal office at Capistrano-Hayes St., City Hall, Cagayan de Oro City, Misamis Oriental, and represented in this Act by its City Mayor, HON. ROLANDO A. UY, duly authorized for this purpose, hereinafter referred to as the "LGU-CDO", by virtue of Sangguniang Bayan Resolution No. 620 series of 2021."***

It must be pointed out that as a City Government, the City's legislative council is officially referred to as Sangguniang Panlungsod and not a Sangguniang Bayan (SB) which refers to the legislative council of a municipality. Considering that the ordinance authorizing the City Mayor is yet to be enacted, the SB Resolution cited above seems to be erroneous. Therefore, it is strongly recommended that the phrase "by virtue of Sangguniang Bayan Resolution No. 620 series of 2021" be deleted and omitted.

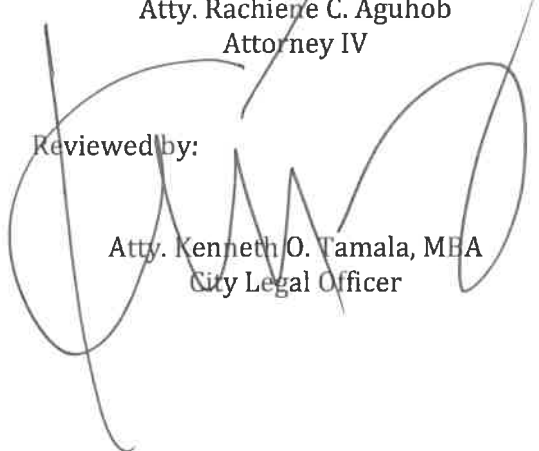

4. Please see attached draft for other corrections of other clerical or typographical errors annotated in green ink.

For your guidance and information.
