AN ORDINANCE EXTENDING THE DEADLINE OF THE PERIOD FOR THE RENEWAL OF BUSINESS LICENSE IN CAGAYAN DE ORO CITY FROM JANUARY 20, 2022 TO FEBRUARY 28, 2022

Whereas Section 167 of RA 7160, otherwise known as the Local Government Code of 1991, authorizes the sanggunian, for a justifiable reason or cause, to extend the time for payment of taxes, fees, or charges without surcharges or penalties, for a period not exceeding six (6) months;

Whereas the Oro Chamber has requested the City Government of Cagayan de Oro for an extension of the deadline for the renewal of business permit until February 28, 2022 to give them ample time to stretch the schedule of their financial responsibility due to slow business operations caused by COVID-19 pandemic restrictions;

Whereas the Honorable City Mayor Oscar S. Moreno upon the advice of the City Treasurer recommended for the said extension in light of the various challenges which confronted the business sector due to the effects of the COVID-19 pandemic;

NOW, THEREFORE:

BE IT ORDAINED by the 19th City Council (*Sangguniang Panlungsod*) of Cagayan de Oro in session duly assembled that:

Whereas with the government-imposed restrictions to prevent the spread of COVID-19, many business establishments in the City experienced financial difficulties due to slow business operations;

Dear Hon. Councilor Nacaya,

This refers to the application of the City Government of Cagayan de Oro, to be represented by Honorable Mayor Oscar S. Moreno, for the issuance of Special Patents by DENR covering 7 properties owned by the City, mentioned in the Indorsement Letter dated November 11, 2021 from Engr. Armen A. Cuenca, MPA, EnP, Executive Director, Task Force Emancipation of Piso-Piso Beneficiaries/Land Asset Management Office and Depart Head II, City Local Environment and Natural Resources Office (CLENRO), a copy of which is attached herewith. A request for authorization by the August Body has been requested by the local chief executive (LCE) in relation thereto.

The efforts to secure Special Patents for the respective lots is crucial since these would constitute as legal proofs of the City's ownership over these properties. Thus, we find the undertaking to be legally sound and relevant in protecting the City's interests.

Thank you for your kind attention.

LADIES AND GENTLEMEN:

The undersigned respectfully requests the Honorable Body to grant him authority to represent the City Government of Cagayan de Oro, as the local chief executive, and to enter into and sign the Memorandum of Agreement (MOA) with the Municipal Government of Baungon, Bukidnon, to be represented by the Honorable Municipal Mayor, Giovanni M. Dahino, covering the Parties' partnership in the establishment of an Assistance and Network Monitoring to address the need for a functional Early Warning System (EWS) for flood /flashflood, alerting both Parties of an imminent danger at their respective areas.

This collaboration of the two (2) local government units (LGUs) is crucial in addressing the perennial threat of floods, which in the past have resulted in great loss of lives and properties. The available early information of a pending disaster would allow their respective residents to undertake early evacuation which eventually could turn out to be an effective lifesaving measure.

In this regard, the undersigned respectfully requests the appropriate action of the August Body regarding this concern, which I hereby certify as an urgent legislative measure. A draft copy of the MOA is attached herewith for your easy reference.

Thank you.

Truly yours,

Hon. TEODULFO E. LAO, Jr.
Chairperson, Committee on
Climate Change Adaptation and
Mitigation and disaster Risk Reduction
City Council of Cagayan de Oro
3rd Level, New Legislative Bldg.
City Hall Compound

Dear Hon. Councilor Bong,

This refers to the respective draft copies of the Five (5) Memoranda of Agreements covering the Disaster Response and Cooperation between the City Government of Cagayan de Oro, thru the City Disaster and Risk Reduction and Management Department ("CDDRRMD") and the respective adjoining Municipalities of Baungon, Libona, Manolo Fortich and Talakag, Province of Bukidnon, and the Municipality of Tagoloan, Province of Misamis Oriental, thru their respective municipal disaster risk reduction and management offices ("MDRRMOs").

These collaborations with the above-mentioned local government units ("LGU") are very laudable. They are strong manifestations of City's commitment in advocating the whole-of-government approach in promoting disaster preparedness and response among our neighbors, particularly concerning preparations to the threats of floods, which in the past caused many lives lost and destruction to properties. These municipalities are located in the crucial areas where their respective rivers are tributaries to our City's rivers, and therefore play very significant roles in incidents of flooding in the various sections of the city, and thru their MCDDRRMOs, they could provide CDDRRMD advance information regarding water build-up in their respective areas. On the other hand, CDDRRMD will provide these municipalities with the needed assistance in times of natural calamities.

Thank you for your kind attention.

Truly yours,

Atty. JOSE B. SABANAL
City Legal Officer
