Whereas, the sudden passing away of former Barangay Kagawad Nicolas M. Dear Ms. Licayan,

This has reference to your letter dated 02 August 2022 requesting for this Office's review and legal opinion relative to the Proposed Barangay Ordinance No. 007-2022 of Barangay F.S. Catanico, this city, entitled: "An Ordinance Localizing the Applicability of Safe Spaces Act (RA 11313)".

In this connection, kindly be informed that this Office finds the aforesaid Proposed Barangay Ordinance to be in legal order considering that it is generally intended for the welfare of the inhabitants of their barangay, to value the dignity of every human person and to duly protect the rights of all gender.

Moreover, Section 8 of Safe Spaces Act and Section 9 of its Implementing Rules and Regulations (IRR) mandate all Local Government including the Barangay Units to prevent and respond to gender-based sexual harassment (GBSH) in streets and public spaces.

Hence, this office found nothing objectionable on the said ordinance.

Thank you very much.

Dear **Atty. Fernandez**:

May we respectfully refer, for appropriate action, the attached documents from Jesus B. Enriquez of the Hillsider's Urban Poor Association, Inc. (HUPA). This is in relation to the request of your good office for a draft Proclamation concerning the issuance of a Presidential Proclamation declaring portions of Camp Evangelista as a residential reservation.

A perusal of the documents shows that the Regional Trial Court of Cagayan de Oro City has issued a Writ of Demolition and ordered the implementation of the same after 60 days or on 04 March 2022. The City Council has requested the RTC to hold in abeyance the implementation of the Writ, pending the issuance of the proposed Presidential Proclamation. HUPA is requesting for urgent assistance, given the impending implementation of the demolition order.

Kindly evaluate the merits of the request in accordance with existing laws, rules and regulations.

Thank you.

PRESIDENT RODRIGO ROA DUTERTE

President of the Philippines

Malacañang Palace, Manila

Dear President Duterte,

May God the Father and Christ Jesus our Lord give you grace, mercy and peace. (Tim 1:2b)

We, the Hillsider's Urban Poor Association (HUPA), Inc., have filed petition with your good office on August 12, 2016, requesting segregation or exclusion of portions of lot 4354 and the whole lot of 4357 located at Patag, Cagayan de Oro City (within Camp Evangelista 4ID, Philippine Army) from the operation of Presidential Proclamation No. 265. Your office forwarded our petition to HUDCC for evaluation.

The completed staff work (CSW) by HUDCC has been endorsed to DENR Regional Office 10 on January 8, 2020 for further evaluation and CSW to be submitted to DENR central office.

In a follow up, learned that DENR Regional Office 10 has not undertaken CSW on the endorsed evaluation apparently due to some kind of an understanding between the DENR and DND affecting said lots. We hope and pray that this will not affect the lots we are occupying.

Given that lot 4318, which was also covered by Presidential Proclamation No. 265, has been excluded and set aside under Presidential Proclamation No. 330 issued by President Estrada for the AFP off-base housing, we earnestly for your sympathetic and generous approval of our petition so that we who have been long standing occupants, most of whom are retired AFP/PNP/active personnel and their families, may finally find peace of mind and permanent residence in the place we have always our dream called home.

Your continued good health and strength of mind always in ours in prayers, we remain.

Record No. 1612, and whole of Lot 4357 of Cadastral Survey of Cagayan de Oro L.R.C. Psd-221692 for Distribution to Actual Occupants

Background:

1. Presidential Proclamation No. 265 issued by then President Manuel L. Quezon on March 31, 1938 Reserving for the Use of the Philippine Army Three Parcels of the Public Domain situated in the Barrios of Bulua and Carmen, Municipality of Cagayan, Province of Misamis Oriental, Island of Mindanao. The three parcels of land identified are as follows:

Lot No.	Area (in Hectares)
4318	35.79
4354	35.44
4357	6.96
TOTAL	78.19

2. Per certification issued by the DENR, the area is classified as Alienable and Disposable
3. Until today, the Camp Evangelista is still operating within the area and occupied by the Fourth Infantry Division. However, the area is underutilized leaving portions as idle land and some portions are utilized as residential mostly by the employees/retirees of the AFP and by their married children.
4. Most of the HUPA members have been residing within the area for more than 20 years and would want to have security of tenure.

Findings:

5. The area, being proclaimed as military reservation is zoned as Special Institutional Zone per Zoning Ordinance (ZO) approved by the City Council on February 1, 2016 under Ordinance No. 13032-2016. The ZO is the 2nd volume of the Comprehensive Land Use Plan 2019-2027 of Cagayan de Oro City.
6. Aside from the various buildings and grounds used by the Philippine Army, actual use include residential, elementary and secondary school and chapel. Some portion are still idle/grassland.
7. The petitioners are actual occupants of the area, mostly active and retired military and civilian employees of the Philippine Army and their children who now have families of their own. They have been occupying the place for more than 20 years.
8. The active employees can afford to pay for socialized and economic housing loan program.

9. The proposed site is suitable for housing on the following grounds:
 - 9.a. It is located within the city proper thereby serviced by water and power providers, schools, health facility, transportation and very near the Central Business District;
 - 9.b. It is far from potential source of pollution, offensive odor and nuisance;
 - 9.c. Except for some portions the land's terrain is suitable for housing
10. A considerable area of the land is still unutilized.
11. Per Local Shelter Plan of the City of Cagayan de Oro for the period 2014-2022, more than 34,000 Households are identified as informal settlers. They are either living in danger areas or in land owned by private persons or government.
12. Relocation for this number of households will need huge resources such as Land and Finances.
13. Under Chapter 12 of 2017-2022 Regional Development Plan, one of the identified strategies to address the housing needs of the region is the promotion for the issuance of Presidential Proclamation declaring unutilized and occupied portion of the military reservation as housing site.

Analysis/Comments:

14. The issuance of the proposed amendment to PP 265 is consistent with the government's program to provide decent shelter to Filipino families. This is also the AFP's support to the housing program of the government
15. The different agencies like the DPWH, DENR, DOH and the City Government of Cagayan de Oro have favorably supported and endorsed the request of the Hillsider's Urban Poor Association, (HUPA) Inc. and to the President to set aside portion of the military reservation for housing.
16. If granted and implemented, this will address and reduce the housing needs of Cagayan de Oro.

Recommendation:

17. Considering the endorsements from the different agencies/members of the PPC and to support one of the identified strategies to address the housing needs which is the utilization and conversion of idle military reservation for housing purposes, the PPC respectfully recommend the following:

17.1 Issuance of Presidential Proclamation amending Proclamation No. 265 to exclude portions of Lots 4354 and 4357 from the military reservation

17.2 It is further recommended that the following strategies be reconsidered:

- Ensure that the beneficiaries are landless and have not been recipient of any government housing project
- Certain portion shall be allocated as relocation site for the displaced families within the military reservation.
- A mixed use, comprehensive plan be prepared and approved to maximize utilization of the segregated area. Perhaps residential units can also be

included to be rented out to personnel that will be assigned at Camp Evangelista. Once personnel will be reassigned to another area, he loses the right to rent the unit. This way the transferees from other division will be accommodated.

- Partner with private developer to fully develop the area.

Thank you!

RESOLUTION NO. 13678-2020

RESOLUTION INDORSING TO THE OFFICE OF THE PRESIDENT, MALACAÑANG PALACE, METRO MANILA THROUGH MS. CRISANTA LEONOR L. CHIAPIAN, OFFICE OF THE DEPUTY EXECUTIVE SECRETARY FOR GENERAL ADMINISTRATION, THE HEREIN DRAFT PRESIDENTIAL PROCLAMATION FOR THE DECLARATION OF A PORTION OF LOT 4354 CAD 237 AND THE WHOLE OF LOT 4357, ALL OF CAGAYAN DE ORO CITY, AS RESIDENTIAL RESERVATION FOR ALL OCCUPANTS INSIDE CAMP EVANGELISTA, PHILIPPINE ARMY, CAGAYAN DE ORO CITY, PER RESOLUTION NO. 13537-2020 OF THE SANGGUNIANG PANLUNGSOD OF CAGAYAN DE ORO; PROVIDED, THAT THE AREA TO BE COVERED THEREIN SHALL NOT EXCEED TEN (10) HECTARES; PROVIDED FURTHER, THAT THE OFFICE OF THE PRESIDENT AUTHORIZES THE SURVEY AND DETERMINATION OF THE METES AND BOUNDS OR TECHNICAL DESCRIPTION THEREOF, FOR ITS APPROPRIATE ACTION

Whereas, the Sangguniang Panlungsod of Cagayan de Oro adopted Resolution No. 13537-2020 entitled: "Resolution requesting President Rodrigo R. Duterte to approve and give due course to the recommendation for the issuance of Presidential Proclamation, declaring a portion of Lot 4354 CAD 237 and the whole of Lot 4357, all of Cagayan de Oro City, as Residential Reservation for all occupants inside Camp Evangelista of the Philippine Army, Cagayan de Oro City";

Whereas, the Office of the President through M. Crisanta Leonor L. Chiapian, Office of the Deputy Executive Secretary for General Administration, communicated to the Office of the Sangguniang Panlungsod-Secretary, viz:

"With reference to the Cagayan de Oro (CDO) City Council request for the issuance of a Presidential Proclamation declaring portions of Camp Evangelista as a residential reservation and for purposes of initial evaluation and in compliance with Memorandum Circular No. 79 (s. 2019), we respectfully request a draft Proclamation."

Whereas, the Sangguniang Panlungsod Committee on Urban and Rural Poor and acting upon the request of the Hillsiders Urban Poor Association (HUPA), Inc., which already drafted a Proclamation, created a Pre-Proclamation Committee to conduct official survey in order to determine the technical description of the area to be incorporated in the draft Proclamation. The said Committee is composed of HUDCC (Chairman), DENR/CENRO (Vice Chairman), DPWH, DOH, DENR-MGB, NHA, PCUP, CHUDD, DENR Region-10 and the City Engineer's Office. Moreover, this Committee even adopted a Resolution, requesting the 4th Infantry Division of the Philippine Army to allow the Committee to enter the premises of Camp Evangelista for the purpose;

Whereas, the DENR-Region 10 manifested that its office cannot possibly give its conformity to the proposed/draft Presidential Proclamation excluding the present residential lands occupied by HUPA members under Proclamation 265 (Military Reservation Area) due to the reasons specified in its letter dated July 30, 2020. In addition, the 4th ID being the land owner/administrator of the subject lands, has not given acquiescence for apparent reasons;

Whereas, with hands tied, this Body has no recourse but to indorse the draft Proclamation prepared by the HUPA;

Therefore, on motion by Councilor Ian Mark Q. Nacaya, duly seconded by Councilors John Michael L. Seno and Edna M. Dahino, be it

Resolved, to indorse to the Office of the President, Malacañang Palace, Metro Manila through Ms. Crisanta Leonor L. Chianpian, Office of the Deputy Executive Secretary for General Administration, the herein Draft Presidential Proclamation for the declaration of a portion of Lot 4354 CAD 237 and the whole of lot 4357, all of Cagayan de Oro City, as residential reservation for all occupants inside Camp Evangelista, Philippine Army, Cagayan de Oro City, per Resolution No. 13537-2020 of the Sangguniang Panlungsod of Cagayan de Oro; *Provided*, That the area to be covered therein shall not exceed ten (10) hectares; *Provided further*, That the Office of the President authorizes the survey and determination of the metes and bounds or technical description thereof, for its appropriate action;

Resolved further, to a forward copy of this Resolution to Honorable President Rodrigo R. Duterte, Malacañang Palace, Metro Manila, through Ms. Crisanta Leonor L. Chianpian, Office of the Deputy Executive Secretary for General Administration, for his information.

RESOLUTION

This treats the MOTION FOR ISSUANCE OF ORDER OF DEMOLITION filed by the Republic of the Philippines represented by the 4th Infantry Battalion, Philippine Army (Republic) on October 1, 2020.

The motion avers that per Sheriff's Report dated August 12, 2020, the Writ of Execution issued on May 31, 2019 together with the Notice

amv

Civil Case No. 3494

Civil case No. 5918

Resolution (To motion for issuance of Order of Demolition)

to Vacate were served upon the defendants and the oppositors-occupants of Lot Nos. 4354 and 4357. However, the defendants and other occupants refused to vacate and continued to occupy the portions of Lot No. 4354 and Lot 4357; and that in consequence, the Republic of the Philippines, through the 4th Infantry Division, Philippine Army, AFP, has not been placed in actual possession thereof. Plaintiff Republic is now invoking the provisions of Rule 39, section 10(d) of the Rules of Court, praying for the issuance of special order of demolition.

The Antecedents

The Republic filed Civil Case No. 3494 for cancellation of OCT No. 0-358 against the Bacases on September 7, 1970; and Civil Case No. 5918 for cancellation of OCT No. 0-669 against the Chabons on April 21, 1978.

OCT No. 0-358 covers a parcel of land, more particularly described as follows:

“A parcel of land, Lot No. 4354 of the Cadastral Survey of Cagayan, L.R.C. Record No. 1612, situated at Barrio Carmen, Municipality of Cagayan, Province of Misamis Oriental. Bounded on the SE., along lines 1-2-3-4, by Lot 4357; and alongline 4-5, by Lot 3862; on the S., along line 5-6, by Lot 3892; on the W. and NW., along lines 6-7-8, by Lot 4318; on the NE., along line 8-9, by Lot 4319, along line 9-10, by Lot 4353 and long line 10-11, by Lot 4359; and on the SE., along line 11-1, by Lot 4356, all of Cagayan Cadastre; containing an area of THREE HUNDRED FIFTY FOUR THOUSAND THREE HUNDRED SEVENTY SEVEN (354,377) square meters, more or less, under Tax Declaration No. 35436 and assessed at ₱3,540.00”

OCT No. 0-669 covers a parcel of land particularly described, to wit:

“A parcel of land (Lot 4357, Cagayan Cadastre, plan Ap-12445), situated in the District of Carmen, City of Cagayan de Oro. Bounded on the NE. by property of

AMV

SO ORDERED."

The aforesaid Decision has, on April 22, 2014, become final and executory.² Thereafter, plaintiff Republic sought for the enforcement of the judgment by filing a MOTION FOR EXECUTION AND DEMOLITION on June 17, 2015.

On June 23, 2015, an OPPOSITION TO THE MOTION FOR DEMOLITION in Civil Case No. 5918 was filed by Atty. Evangeline Tadas-Carrasco for Oppositors namely:

MAY C. OMANDAM	SPS. ALFREDO T. RIVAS
SPS. ADELA S. PELERA	SPS. LYDIA R. VILLANUEVA
SPS. MANUEL J. CABELLERO	SPS. REYNALDO C. LABTIC
SPS. JOSEFINO A. PARCO	SPS. ATHELSTANE OMANDAM
SPS. EDDIE S. SALVADOR	SPS. JESUS A. PARCO

RENNY F. VELEZ	DOUGLAS W. DABATIAN
SPS. FELIPE and FE PARCO	ADELA S. PELERA
FELIX T. PARCO	ROLEN P. MESÍAS,
NELSON T. POLIGRATES	CINDY S. SABANAL

The above-named Oppositors averred that they are the actual occupants of the portion of Lots 4354 and Lot 4357; that the grounds relied upon by the oppositors in filing, this opposition are the following, to wit: (a) No Personality; (b) Decision is very clear and no demolition has been granted by the Supreme Court but only for the cancellation of title and reversion to the public domain; (c) As a consequence of the decision the entire Lots 4354 and 4357 were reverted back to the public domain, hence, the status of the lots are alienable and disposable; (d) Jurisdiction of the distribution of those lots is with the DENR; and (e) Everybody whose rights have been affected can re-apply to perfect their titles. They further argued that the November 20, 2013 Decision of the Supreme Court did not award the subject lots to the Fourth Infantry Battalion of the Armed Forces of the Philippines but merely cancelled the certificates of title on the ground of lack of jurisdiction; that said lots being reverted to such status are within the commerce of man and the occupants are qualified to apply for the titles of these lots to perfect their ownership; and that as actual occupants, they have pending

² Entry of Judgment issued by the Clerk of Court of the Third Division of the Supreme Court in G.R. NO. 182913

application with the DENR. They further asserted that Lots 4357 and 4354 were not used by the military and are therefore available for disposition to qualified UDHA³ beneficiaries or for socialized housing purposes pursuant to Section 1, Executive Order 131.⁴ Copy of the Oppositor's petition for segregation and Exclusion Lot 4354 filed with the Department of Environment and Natural Resources CENRO, Initao was appended thereto and which copy bore the DENR's date of receipt (time of filing) "August 13, 2014."

Adopting the arguments raised in the memorandum filed by Oppositors May C. Omandam, et al., the above oppositors expressed their opposition to the Republic's motion for issuance of order of demolition.

In their *Position Paper* filed on July 27, 2015, plaintiff averred, among other things, that reconstitution of the records is no longer necessary when the incident involves the ministerial act of executing the long final judgment of the Supreme Court and invoked Section 65 of Act 3110.⁵ It stressed that by the issuance of Presidential Proclamation 265 declaring the subject lots as military reservation, no lawful entry can be acquired as these portions of public domain becomes inalienable; and all occupants are considered informal settlers with no rights to be protected or respected.

After hearing their arguments, the Court issued a **RESOLUTION granting the plaintiff's prayer for issuance of writ of execution and**

⁵ Section 65 of Act 3110-

"Sec. 65. If the decision rendered by the Supreme Court is not appealable or has already become final, an authentic copy of such decision shall be proof of its contents and shall form the reconstituted record, without prejudice to attaching thereto such copies as may be obtainable of the bill of exceptions or appeal record and the briefs filed."

demolition on August 10, 2018.⁶ The dispositive part of the Resolution reads as follows:

"WHEREFORE, premises considered, the Court finds merit to the motion for execution and demolition filed by the Republic for the Armed Forces of the Philippines, Infantry Division, Camp Evangelista, Patag, Cagayan de Oro City.

The Sheriff of this Branch in collaboration with the proper personnel of the 4th Infantry Division are to execute the Judgment of the Court.

SO ORDERED."

On September 20, 2018, a **Motion for Reconsideration to Resolution dated August 10, 2018** was filed by Atty. Rey Raagas (for defendants Bacases in Civil Case No. 3494 and the Chabons in Civil Case No. 5918, asserting that the action, being not ejectment cases, do not call for the eviction of the defendants; and that the Order allowing demolition is void for being violation of the constitutional prohibition against taking of property for public use without just compensation.

Likewise, a **Motion for Reconsideration to Resolution dated August 10, 2018** was filed by the other Oppositors through counsel Atty. Evangeline T. Carrasco arguing that the Decision of the Supreme Court can no longer be enforced without judicial reconstitution of the records and that the said decision does not bind the oppositors not being parties to Civil Cases.

Resolution dated April 15, 2019 **DENIED** the Motion for Reconsideration of defendants and oppositors. Pertinent portions of the resolution is worded as follows-

"The Court wishes to reiterate, once again, that part of the dispositive portion which provides that all proceedings made before the Land Registration Court (now LRA) could no longer be made source of a right

⁶ Pages 367-373, record

since these were all declared null and void. Any right granted by the then Land Registration Court cannot be maintained and that the respondents in this case, Chabons, Bacas and all other occupants have not, in any manner, acquired vested rights over the subject lots. Consequently, when these subject lots were decided in favor of the Philippine Military Camp it necessarily follows that the latter has better rights over the properties and can therefore rightfully assert ownership over the property.

Moreover, the Court is aware of the long line of jurisprudence reiterating the principle that once judgment has become final and executory a writ of execution is issued as a matter of right, in the absence of any order restraining its issuance. The holding in abeyance of the issuance of a writ of execution of a final and executory judgment can be considered abuse of discretion on the part of the trial court.

Also, since no new issues were actually raised in this Motion, the Court finds it unnecessary to elaborate further unto its discussion.

WHEREFORE, premises considered, the pending Motion for Reconsideration is DENIED. The writ of Execution issued by this Court dated January 30, 2017, must be immediately IMPLEMENTED to enforce Judgment of the Court.

Done this 15th of April, 2019 in the City of Cagayan de Oro, Philippines."

On May 30, 2019, an Amended Order was subsequently issued to correct the typographical error found in the dispositive portion. Henceforth, the dispositive portion of the resolution denying the two motion for reconsideration read as follows -

"WHEREFORE, premises considered, the pending Motion for Reconsideration is DENIED. The Resolution of

AMV

the Court dated August 10, 2018 be IMPLEMENTED to enforce the Judgment of the Court.

The Branch Clerk of Court is directed to immediately issue a Writ of Execution.

For your reference.

SO ORDERED."

Eventually, a *Writ of Execution* was issued on May 31, 2019 commanding the sheriff to cause the execution of the Supreme Court Decision promulgated on November 20, 2013 in G.R. No. 182913 (consolidating Civil Case No. 3494 and Civil Case No. 5918). The writ was accompanied by a *Notice To Vacate* issued by the Sheriff of this Court.

SHERIFF'S REPORT OF WRIT OF EXECUTION (Addendum)

That as of the present, occupants of Lot 4354 and Lot 4357, subject of the writ of execution and notice to vacate did not voluntarily vacate the property despite receipt of the same sometime on July 6, 2020, thru Ludivina Gayanilo, President, Hillsider's Urban Poor Association.

(HUPA), Inc. Considering that actual occupants are adamant to self-demolish and voluntarily vacate from the premises, hence writ of demolition is necessary to fully implement the decision of the Supreme Court.

Attached herewith is a letter dated September 11, 2020, from representative of the plaintiff, for information.

Respectfully submitted.
September 22, 2020, Cagayan de Oro City.

FE B. BULARON (Sgd.)"

Hence, plaintiff Republic filed a MOTION FOR ISSUANCE OF ORDER OF DEMOLITION praying to wit:

"WHEREFORE, it is most respectfully prayed unto the Honorable Court that an Order for Demolition BE ISSUED for the enforcement of the final and executory judgment of the Honorable Supreme Court:

- a. Ordering all occupants and possessors who claim any interest on the land through the Bacases and

- Chabons, as well as, all third persons, to vacate Lot Nos. 4354 and 4357 and surrender possession thereof to the 4th Infantry Division, Philippine Army, through its authorized representatives;
- b. Ordering the removal and demolition of all improvements introduced by the occupants and possessors; and
 - c. For the said parties to pay the costs, expenses and damages.

In their *Opposition*, the defendants through Atty. Raagas contended that the plaintiff Republic is not entitled to a writ of demolition, not being supported by the decretal part of the Decision; that the decision does not order defendants' eviction; that despite the reversion of the lots as part of the public domain; the defendants are to be recognized as builders in good faith and which the taking of their property right must be justly compensated; that defendants' successors-in-interest to whom portions of Lot 4354, CAD 237 (embraced under OCT No. 0-358) have been conveyed and to whom transfer certificates were issued and the subsequent derivative title are purchasers for value and in good faith, there being no notice of *lis pendens* registered; that even Proclamation No. 265 recognizes defendants' private rights that may have set in prior to its issuance; and thus defendants cannot be summarily evicted without respecting their property rights and being compensated.

In their *Comment/Opposition* thereto, the **Oppositors** through Atty. Carrasco averred that their two pending motions are unresolved: (a) Urgent Motion (to be Excluded from the Writ of Execution *Ad Cautelam* and to Resolve pending Motion for Reconsideration) dated 3 June 2019 and oppositors' Motion for Reconsideration dated 30 August 2018. They pray that plaintiff's prayer for issuance of writ of demolition be denied for lack of legal basis because what was merely ordered in the Supreme Court Decision was for the cancellation of titles of respondents Bacases and Chabons and for the reversion of Lots 4354 and 4357 to public domain; that the decision does not even specifically state that possession of the subject property be delivered to the 4th ID, Philippine Army; that the 4th ID, Philippine Army is not the Republic of the Philippines, for they are separate and distinct entities. Furthermore, the oppositors argued that they are not bound by the Supreme Court

Decision or any writ of execution or demolition as they are not parties to the cases.

In the *Supplemental Comment*, the oppositors averred, to wit: that they have referred their case to the Sangguniang Panglungsod of Cagayan de Oro City and the august body adopted SP Resolution No. 13537-2020 entitled *Resolution requesting President Rodrigo R. Duterte to approve and give due course to the recommendation for the issuance of Presidential proclamation, declaring portion of Lot 4353 CAD 237 and the whole of Lot 4357, all of Cagayan de Oro City as Residential reservation for all occupants inside Camp Evangelista of the Philippine Army, Cagayan de Oro City*; that in an email dated 5 March 2000, the OP, xxx xxxx communicated to the Office of the Secretary of the Sanggunian its request for a draft proclamation, xxx a draft proclamation was crafted by the Hillsiders Urban Poor Association (UPA), Inc. which is composed of members who are actual occupants of the subject property. On 7 September 2020, the Sanggunian adopted Resolution No 13678-2020 endorsing to the OP, through Ms. Crisanta Leoner L Chianpian Office of the Deputy Executive Secretary for General Administration, the Draft Presidential Proclamation for the declaration of a portion of Lot 4754 CAD 237 and the whole of Lot 4357, all of Cagayan de Oro City, as Residential Reservation for all occupants inside Camp Evangelista, Philippine Army, Cagayan de Oro City, per Resolution No 13537-2020 of the Sanggunian, provided that the area to be covered therein shall not exceed ten (10) hectares and provided further that the OP authorizes the survey and determination of the metes and bounds or technical description thereof; that the Presidential Commission for the Urban Poor (PCUP) issued memorandum No. 435-2020 directing the temporary suspension of all pre-demolition process pending the inquiry letter to the office of the Court Administrator and DOJ.

After hearing, the parties were directed to file their memoranda.

Rulings

The Court resolves to grant the prayer of plaintiff.

Notably, the instant cases were resolved by the Third Division of the Supreme Court in GR No. 182913, consolidating Civil Case No. 3494 and Civil Case No. 5918 and promulgated on November 20, 2013. Civil

Civil Case No. 3494
 Civil case No. 5918
 Resolution (To motion for issuance of Order of Demolition)

Case No. 3494 against the Bacases was filed on September 7, 1970; and Civil Case No. 5918 against the Chabons was filed on April 21, 1978. However, the cases dragged for years and the enforcement of the decision has been long delayed for years. It even noted, as stated in the Sheriff's Report, that some defendants already died. Although, no copy of death certificates are appended to the Sheriff's Report (return of writ of execution). Neither, a notice of death was filed by defendants' counsel.

In these cases, a copy of the November 20, 2013 Decision in G.R. No. 182913 duly authenticated by the Deputy Division Clerk of Court of the Supreme Court Third Division⁷ was filed by the Office of the Solicitor General on February 13, 2018. Hence, judicial reconstitution of the record is not required pursuant to Section 65 of Act 3110.⁸

The grounds and arguments presented by the defendants and oppositors were already fully traversed in G.R. No. 182913 and in the subsequent issuances of this Court: (a) Resolution dated August 10, 2018 granting the plaintiff's Motion for Execution and Demolition⁹ and Resolution denying defendants' and Oppositors' Motion for Reconsideration dated April 15, 2019.¹⁰

By Proclamation No. 265, Lot No. 4354 containing an area of 354,377 square meters and Lot No. 4357 containing an area of 69,632 square meters, together with Lot No. 4318 were withdrawn from sale or settlement and reserved for the use of the Philippine Army. These lots form parts of Camp BGen Edilberto Evangelista, Cagayan de Oro City and home to the 4th ID, Philippine Army. As clearly pointed in G.R. No. 182913, "the subject lands, being part of a military reservation, are inalienable and cannot be the subjects of land registration proceedings." The high court clearly elaborated that the defendants failed to prove they have registrable rights over the subject lots prior to the issuance of Proclamation 265. Accordingly, such claim

for private rights has not been established by the defendants. Pertinent parts of the disquisition in G.R. No. 182913 read as follow-

"Regarding the subject lots, there was a reservation respecting "private rights." In Republic v. Estonilo,¹⁰ where the Court earlier declared that Lot No. 4318 was part of the Camp Evangelista Military Reservation and, therefore, not registrable, it noted the proviso in Presidential Proclamation No. 265 requiring the reservation to be subject to private rights as meaning that persons claiming rights over the reserved land were not precluded from proving their claims. Stated differently, the said proviso did not preclude the LRC from determining whether or not the respondents indeed had registrable rights over the property.

As there has been no showing that the subject parcels of land had been segregated from the military reservation, the respondents had to prove that the subject properties were alienable and disposable land of the public domain prior to its withdrawal from sale and settlement and reservation for military purposes under Presidential Proclamation No. 265. The question is of primordial importance because it is determinative if the land can in fact be subject to acquisitive prescription and, thus, registrable under the Torrens system. Without first determining the nature and character of the land, all the other requirements such as the length and nature of possession and occupation over such land do not come into play. The required length of possession does not operate when the land is part of the public domain.

In this case, however, the respondents miserably failed to prove that, before the proclamation, the subject lands were already private lands. They merely relied on such "recognition" of possible private rights"

Apparently, the alleged good faith of the defendants' successors-in-interest can no longer be invoked to prevent execution of the November 20, 2013 Decision. It is jurisprudentially settled that when a right or fact has been judicially tried and determined by a court of competent jurisdiction, or an opportunity for such trial has been given, the judgment of the court, so long as it remains unreversed, should be conclusive upon the parties and those in privity with them in law or estate.¹¹

¹¹ Philippine National Bank vs. Barreto, et al., 52 Phil. 818 (1929); Escudero, et al. vs. Flores, et al., 97 Phil. 240 (1955); Navarro vs. Director of Lands, 115 Phil. 824 (1962).

amw

It is fallacious for the *Oppositors* (Omandam, et al.) to assert that the subject lots are alienable after its reversion to the public domain. The Supreme Court already declared in G.R. No. 182913 that "*When a property is officially declared a military reservation, it becomes inalienable and outside the commerce of man. It may not be the subject of a contract or of a compromise agreement. A property continues to be part of the public domain, not available for private appropriation or ownership, until there is a formal declaration on the part of the government to withdraw it from being such.*"

Here, the Oppositors attempted to show that as actual occupants of the subject lots, (1) they have a pending application for titling with the DENR and (2) application for reversion of *portion of Lot 4353 CAD 237 and the whole of Lot 4357, all of Cagayan de Oro City as Residential reservation for all occupants inside Camp Evangelista of the Philippine Army, Cagayan de Oro* with the Office of the President of the Republic of the Philippines favorably endorsed by the Honorable Sangguniang Panglungsod of the City of Cagayan de Oro through SP Resolution No. 13537-2020.

Yet, no evidence were presented showing that their application with the DENR are granted and that Proclamation No. 265 has been revoked by the President of the Republic of the Philippines or that another Proclamation is issued releasing the land of the public domain as alienable and disposable. To this date, no Proclamation from the President of this Republic is issued segregating the subject lots from military reservation. Land used and reserved for the national defense and security of the state or government offices or installation are excluded from the coverage of UDHA. Section 5 of Urban Development and Housing Act of 1992 provides -

"Sec. 5. Exemptions. - The following lands shall be exempt from the coverage of this Act:

- (a) Those included in the coverage of Republic Act No. 6657, otherwise known as the Comprehensive Agrarian Reform Law;
- (b) Those actually used for national defense and security of the State;
- (c) Those used, reserved or otherwise set aside for government offices, facilities and other installations, whether owned by the National Government, its agencies and instrumentalities, including government owned or-controlled corporations, or by the local government units: Provided, however, That the lands herein mentioned, or portions thereof, which have not been used for the purpose for which they have been reserved or set aside for the past ten (10) years from the effectivity of this Act, shall be covered by this Act;

Resolution (To motion for issuance of Order of Demolition)

(d) Those used or set aside for parks, reserves for flora and fauna, forests and watersheds, and other areas necessary to maintain ecological balance or environmental protection, as determined and certified to by the proper government agency; and

(e) Those actually and primarily used for religious, charitable, or educational purposes, cultural and historical sites, hospitals and health centers, and cemeteries or memorial parks.

The exemptions herein provided shall not apply when the use or purpose of the abovementioned lands has ceased to exist. "

*The Court disagrees with Defendants' and Oppositors' claim that the decretal part of the decision in G.R. No. 182913 does not warrant the issuance of order of demolition. The Republic through the 4th ID, PA as the prevailing party or winning litigant is entitled to the satisfaction of the judgment through a writ of execution and writ of demolition. After all, the winning party also has the correlative right to enjoy the finality of the resolution of his case by the execution and satisfaction of the judgment, which is the "life of the law."¹² It has been already litigated and settled that Lot No. 4354 and Lot No. 4357 are reverted to the public domain. The decision in G.R. No. 182913 lengthily, thoroughly and exhaustively expounded that by virtue of Proclamation No. 265, the subject lots are segregated as military reservation. These lots are intended for use of the Philippine Army or the Armed Forces of the Philippines. The judgment essentially includes the delivery of possession of the subject lots to the prevailing party to realize the primary purpose of Proclamation No. 265. In the cases of *Public Estates Authority vs. Bernardo de Leon*, the Supreme Court has decreed the disputed property as owned by the State and that the delivery of property is essentially an order to place the prevailing party in possession of the property. Thus,*

"If the defendant refuses to surrender possession of the property to the prevailing party, the sheriff or other proper officer should oust him. No express order to this effect needs to be stated in the decision; nor is a categorical statement needed in the decision that in such event the sheriff or other proper officer shall have the authority to remove the improvements on the property if the defendant fails to do so within a reasonable period of time. The removal of the improvements on the land under these circumstances

¹² *Seven Brothers Shipping Corporation v. Oriental Assurance Corporation*, 439 Phil. 663, 672 (2002).

is deemed read into the decision, subject only to the issuance of a special order by the court for the removal of the improvements.

It bears stressing that a judgment is not confined to what appears upon the face of the decision, but also those necessarily included therein or necessary thereto."

The Court reiterates that there can be no lawful entry on Lot No. 4354 and Lot No. 4357 as these lots are reverted to the public domain, inalienable and reserved for the use of the Philippine military. The Oppositors' occupation, no matter how long, did not confer ownership or possessory rights over the subject lots.

WHEREFORE, all the foregoing considered, let a Writ of Demolition issue against the defendants, their heirs and assigns and all those deriving rights from them and oppositors/actual occupants of Lot No. 4354 and Lot No. 4357, both located in Patag, Cagayan de Oro City.

Prior to the implementation of the writ of demolition, considering that everyone is affected by the COVID-19 pandemic, the defendants, their heirs and assigns and all those deriving rights from them and all other occupants of Lot No. 4354 and Lot No. 4357 located in Patag, Cagayan de Oro City are given 60 days from receipt of this resolution to physically vacate from the subject lots and remove all their structures /improvements and to deliver possession of the subjects lots peacefully to the plaintiff Republic of the Philippines through the 4th Infantry Division, Philippine Army.

The sheriff shall implement the writ of demolition only upon the expiration of the sixty (60) day-period. The writ of demotion shall be enforced in accordance with the provision of Republic Act 7279 (as amended by Republic Act 9237) and other existing laws, regulations and Supreme Court circulars and issuances. The sheriff shall coordinate with the Philippine National Police and the LGU, City of Cagayan de Oro and other concern government agencies in the implementation of the writ of demolition.

SO ORDERED.

Dear **Councilor Calizo**:

This refers to the Memorandum of Agreement between MORESCO-1 and LGU-CDO to be represented by the City Mayor Rolando A. UY, covering the application for electric service connection of LGU-CDO to power the water pump at Zone 3, Barangay San Simon, this city, forwarded to this office for comment and appropriate action.

This office finds no objection on the said MOA as found to be in legal order as represented by **Atty. Kenneth O. Tamala, City Legal Officer**, City Legal Office.

However, we would like to comment on the following provisions in the MOA particularly on budget-related provisions, to wit:

“No.3 That the total cost for the distribution line construction is amounting to **SIXTY-ONE THOUSAND SIX HUNDRED SEVENTY PESOS AND 30/100 ONLY (Php 61, 670.30) x x x.**”

May we inform you that the same may be charged under available appropriation the city has provided in the budget for *Non-Office-Electricity Expenses*. This will however, be subject to the refund later (on staggered basis) by MORESCO-1 on the construction of the Extension of Single –Phase Line, and subject further to usual accounting and auditing rules, laws and regulations.

As recommended by the City Legal Officer, Atty. K. Tamala, the same is herewith referred back to the Committee on Public Utilities for the Members of the City Council for the enactment of an Ordinance authorizing the Honorable City Mayor Rolando A. UY, to sign the said Memorandum of Agreement.

Thank you.
