Dear Mr. Cocon:

This is pertains to your request to review the proposed Memorandum of Agreement ("MOA") to be executed between the Department of Information and Communications Technology ("DICT") and the City Government of Cagayan de Oro ("City Government") for the Tech4Ed Project.

In this regard, we have reviewed the MOA and the same appears to be in good order as we found nothing legally objectionable to the terms and conditions of the MOA. However, since the Responsibilities of the City Government as specified under Item 3.2 of the MOA are technical in nature and beyond our competence and expertise to comment on, we leave to your good office's expertise and sound judgment the determination whether said conditions and requirements in the MOA are acceptable, feasible and can readily be complied by the City Government. Thereafter, should you find the terms and conditions of the MOA to be acceptable, this Office hereby recommends that the MOA be endorsed to the City Council for their approval and enactment of an Ordinance not only authorizing the City Mayor to sign and execute the MOA on behalf of the City Government, but more specifically, signifying their conformity with the terms and conditions for the free use of the platform, solutions and, technology and branding of the Tech4ED project (see Item 3.21 of the MOA).

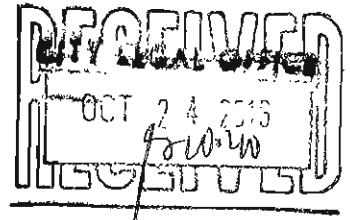

For your guidance and appropriate action.

Very truly yours,
