Dear *Honorable Councilor Ocon*:

Greetings from Cagayan de Oro!

We are pleased to submit to you a draft copy of a proposed **“Resolution Urging Congress to amend certain Provisions of Commonwealth Act 146 or also known as the “Public Service Act” and other related Laws, imposing Higher Penalties Therefore”**. The subject proposal is a result of the Committee Hearing that you had presided on November 16, 2016.

We are hoping for your assistance in order to have this proposal approved and passed by the City Council through your authorship.

Thank you and may God bless you more!

1 PROPOSED RESOLUTION NO. 2016-_____

2
3 PROPOSED RESOLUTION EARNESTLY REQUESTING CONGRESS
4 THROUGH THE HONORABLE SENATE PRESIDENT AQUILINO
5 "KOKO" PIMENTEL III AND THE HONORABLE HOUSE SPEAKER
6 PANTALEON ALVAREZ TO AMEND CERTAIN PROVISIONS OF THE
7 COMMONWEALTH ACT 146 (PUBLIC SERVICE ACT OF 1936) AND ACT
8 3846 (RADIO CONTROL LAW OF 1963), SO AS TO VEST REGULATORY
9 POWERS TO THE REGIONAL OFFICES OF THE NATIONAL
10 TELECOMMUNICATIONS COMMISSION (NTC), AND TO IMPOSE
11 STIFFER PENALTIES, FINES AND OTHER APPROPRIATE
12 SANCTIONS TO VIOLATORS OF THE SAID LAWS

Introduced by Councilor Zaldy O. Ocon

13 *Whereas*, the City Government of Cagayan de Oro has received several
14 complaints regarding the entry of commercial radio broadcasting stations in the City;
15

16 *Whereas*, according to the complainants, these stations are already operating
17 allegedly without the necessary authority from the National Telecommunications
18 Commission (NTC) and business permits from the City Government. It was learned
19 later that there are several radio broadcasting stations that were already inspected by
20 the NTC and appeared to be operating without the authority from the regulatory body;
21

22 *Whereas*, upon inquiry from the NTC-Regional Office No. 10 based in Cagayan
23 de Oro City with regards to the application process therefor, it was learned that "Notice
24 of Hearing" is normally given to all affected parties which formally commence the
25 application process towards the issuance of authority to establish, operate and maintain
26 a radio broadcasting station in a specific area;
27

28 *Whereas*, in contrary, local government units are not properly informed of any
29 Notice of Hearing for the establishment, operation and maintenance of radio
30 broadcasting stations even if the operation clearly affect the overall development of the
31 City;
32

33 *Whereas*, if there is a Notice of Hearing, it is usually received by the LGU very
34 late or worst after the date of hearing has already lapsed, which renders the LGU's
35 submission of comments or positions useless;
36

37 *Whereas*, the City has an existing Ordinance requiring applicants to seek Social
38 Acceptability Endorsement before a radio station can start operation. Said Ordinance
39 intends to rationalize the various applications in the Public Utility Sector as well as help
40 other regulatory bodies in their enforcement functions. However, said ordinance is
41 ignored or disregarded by owners of radio stations;

42
43 *Whereas*, during the meeting of the City Council Committee on Environment
44 and Natural Resources it was found out that the Regional Offices of the NTC, which
45 has jurisdiction over the broadcast industry, have no disciplinary powers over erring
46 radio broadcasting stations but only recommendatory level of authority;
47

48 *Whereas*, radio broadcasting stations inspected by the NTC-Region 10 that were
49 found without the necessary permit have continuously operated because the said Office
50 has no power to confiscate the radio transmitters as radio broadcasting falls under the
51 Public Service category;
52

53 *Whereas*, it was also disclosed that the NTC is currently using antiquated laws,
54 particularly the Commonwealth Act 146 (Public Service Act of 1936) and Act 3846,
55 as amended (Radio Control Law of 1963). Said laws imposes a very minimal fine or
56 penalty which could be one of the reasons for the operators to disregard the same;
57

58 *Wherefore*, on motion made and seconded, be it
59

60 *Resolved*, to earnestly request Congress through the Honorable Senate President
61 Aquilino "Koko" Pimentel III and the Honorable House Speaker Pantaleon Alvarez
62 to amend certain provisions of the Commonwealth Act 146 (Public Service Act of
63 1936) and Act 3846 (Radio Control Law of 1963), so as to vest regulatory powers to
64 the Regional Offices of the National Telecommunications Commission (NTC), and to
65 impose stiffer penalties, fines and other appropriate sanctions to violators of the said
66 laws;
67

68 *Resolved further*, to forward copies of this Resolution to Honorable Senate
69 President Aquilino "Koko" Pimentel III and the Honorable House Speaker Pantaleon
70 Alvarez, for their information and appropriate action;

WHEREAS, it was reviewed that based on the guidelines of the aforementioned Circular, the participation of hospitals in the ACPS is optional. However, in order to avail of the auto-credit payment facility, hospitals shall open separate account(s) exclusively for ACPS with any Land Bank Branch which will serve as the destination account for the reimbursement of claims from Philhealth;

WHEREAS, it was also discussed that the existence of the ACPS account for the JR Borja General Hospital, will hasten the processing of the claims as there will be no more various documentations and constant individual follow-ups for checks to be issued in settlement for all reimbursable claims. Hence, verification purposes on the status of claims shall be done through internet access and that a Monthly Bank Statement shall be provided by Land Bank of the Philippines and further documentation required thereof can be accessed anytime;

WHEREAS, it was conferred that processing of reimbursable claims with Philhealth by the JR Borja General Hospital through Auto-Credit Payment Scheme (ACPS) shall have a separate new account with Land Bank of the Philippines – Capistrano Branch, namely:

1. LGU Cagayan de Oro City – JRBGH (Professional Fees)
2. LGU Cagayan de Oro City - JRBGH (Hospital Charges)

WHEREFORE, with unanimous motion & duly seconded by all members present, the Committee resolved as it is hereby resolved, to recommend favorable approval from His Honor, City Mayor Oscar S.

Moreno, City Mayor, this City, to request authority from the Honorable Members of the City Council for the City Treasurer to open a new separate account with the Land Bank of the Philippines – Capistrano Branch to be utilized solely for the reimbursement of hospital claims through Auto Credit Payment Scheme (ACPS) pursuant to Philhealth Circular No. 43 Series of 2012, having the Following account name, namely:

1. LGU Cagayan de Oro City – JRBGH (Professional Fees)
2. LGU Cagayan de Oro City - JRBGH (Hospital Charges)

Sir,

Greetings!

We write in line with the request of the Local Finance Committee to inform you again on the requirements of PhilHealth Circular Number 43 Series of 2012 on the Reimbursement of Hospital Claims through Auto Credit Payment Scheme (ACPS).

The LGU already submitted two (2) Land Bank accounts, however, these were denied for approval since we require a newly opened account for ACPS purposes. With this, we are fervently hoping that we will be able to put in place everything the soonest time possible as this will help hasten reimbursements for JR Borja General Hospital.

Thank you.

WHEREAS, it was presented to the Committee by representatives currently taking charge of the Housing & Development Programs of the City Government under the Chief Executive Office together with the representatives of the Office of the Human Resource & Management, the Proposed Creation of the City Housing and Urban Development Department (CHUDD) with elaborated details on the submitted proposal book;

WHEREAS, legal mandates were discussed and presented, to name a few, viz:

1. 1987 Philippine Constitution – “As stated in Article XIII section 9, the State shall, by law, and for the common good, undertake, in cooperation with the public sector, a continuing program of Urban Land Reform and Housing which will make available at affordable cost decent housing and basic services to underprivileged and homeless citizens in urban centers and resettlement areas. xx xxx”;
2. Batas Pambansa 220 – “It is an act authorizing the Ministry of Human Settlements to establish and promulgate different levels of standards and technical requirements for economic and socialized housing projects xx x x”;
3. Local Government Code of 1991 – “In Chapter 1, Section 17, Basic Services and Facilities, it is stated that local government units shall endeavor to be self-reliant and shall continue exercising the powers and discharging the duties and functions currently vested upon them ;x x x x, Local Government Units shall likewise exercise such other powers and discharge such other functions and responsibilities as are necessary, appropriate or incidental to efficient and effective provision of the basic services and facilities include programs and projects for low-cost housing and other mass dwelling except those funded by the SSS, GSIS and HDMF;
4. Urban Development and Housing Act of 1992 (RA 7279) – “ This is the policy of the State that empowers it to undertake, in cooperation with the private sector, a comprehensive and continuing urban development and socialized housing program to uplift the condition of homeless citizens in urban areas by making decent housing and basic services available. xxxx”;

WHEREAS, majority among the attendees during the meeting accepts the responsibility of the City Government thru the Multi-Sectoral Task Force having the scenario of there are 34,898 informal shelter families (ISFs) in the city that needed housing and relocation according to the Local Shelter Plan for CY 2014-2022 is a huge challenge for the bureaucracy to formulate and implement solution on the matter, hence, the best strategy is to have an organization of qualified and responsible people to handle this huge responsibility for a long un-ending term considering that housing programs and projects will always be taking a big part of the community concerns. Thus, the priority to create the City Housing and Urban Development Department (CHUDD), which will embody the integration of organization structures presently operating the duties and functions of the following, namely:

1. Estate Management Division (EMD)
2. Shelter and Housing Development Multi-Sectoral (SHDM) Task Force, and

9 **Explanatory Note**

10

11 Cagayan de Oro City is not invulnerable to natural and man-made calamities or
12 disasters that have resulted to extensive harm to life and damage to properties, notable
13 of which was TS Sendong in 2011.

14

15 It is only therefore cogent to officially create through legislative fiat an office
16 that would be responsible for setting the directions, development, implementation and
17 coordination of disaster risk management programs within the territorial jurisdiction of
18 the City as mandated by RA 10121. The said Act enjoins local government units to
19 “adopt a disaster risk reduction and management approach that is holistic,
20 comprehensive, integrated, and proactive in lessening the socioeconomic and
21 environmental impacts of disasters, including climate change, and promote the
22 involvement and participation of all sectors and all stakeholders concerned at all levels,
23 especially the local community”.

24

25 The creation of such office finds legal support in Section 3(b) of RA 7160,
26 otherwise known as the Local Government Code of 1991, which provides that there
27 shall be established in every local government unit an accountable, efficient, and
28 dynamic organizational structure and operating mechanism that will meet the priority
29 needs and service requirements of its communities and in Section 3(h) which states
30 “there shall be a continuing mechanism to enhance local autonomy not only by
31 legislative enabling acts but also by administrative and organizational reforms”.
32 Moreover, Section 76 thereof states that every local government unit shall design and
33 implement its own organizational structure and staffing pattern taking into
34 consideration its service requirements and financial capability, subject to the minimum
35 standards and guidelines prescribed by the Civil Service Commission;

1 PROPOSED ORDINANCE NO. 2016-____
2

3 AN ORDINANCE CONSOLIDATING AND FURTHER AMENDING
4 ORDINANCE NO. 9888-2005 AND ORDINANCE NO. 10046-2006,
5 OTHERWISE KNOWN AS THE COMPREHENSIVE SOCIALIZED
6 HOUSING PROGRAM FOR THE UNDERPRIVILEGED AND HOMELESS
7 CITIZENS OF CAGAYAN DE ORO CITY (PISO-PISO PROGRAM), SO AS
8 TO PROVIDE HEREIN ADDITIONAL GUIDELINES AND TO PROVIDE
9 PENALTY FOR VIOLATION THEREOF AND FOR OTHER PURPOSES
10

11 **Whereas**, the previous socialized housing program spearheaded by the different
12 national agencies failed to accomplish their mandate to provide socialized housing
13 benefits to the targeted beneficiaries and this is due to the fact that the beneficiaries failed
14 to pay the cost of the house and lot through monthly amortization whereby the
15 beneficiaries ultimately sold the awarded house and lot and transfer to another area or
16 other areas in order to squat; hence, there is a repeated cycle of the housing problem not
17 only in the city but in all areas where there are displaced settlers;
18

19 **Whereas**, social justice as mentioned in the Constitution says that it is the duty of
20 the government to promote social justice and make available decent housing and basic
21 services in urban and resettlement sites;
22

23 **Whereas**, RA 7279 provides that it shall be the policy of the state to undertake in
24 cooperation with the private sector a comprehensive and continuing urban development
25 and socialized housing program to uplift the condition of homeless citizen in urban areas
26 by making available to them decent housing and basic services.
27

28 **Whereas**, Section 13 of RA 7279 provides that the local government unit has the
29 authority to provide other variations in their socialized housing program;
30

31 **Whereas**, per data from the City Shelter Plan CY 2014-2022 of Cagayan de Oro,
32 the housing backlog and future housing needs of the population is 79,073 units in 2022 at
33 a population growth rate of 2.69% annually;
34

35 **Whereas**, the emancipation of underprivileged and homeless people thru
36 ownership of decent housing is a basic human right and people empowering on the
37 following reasons;
38

- 39 1. Pursuant to the provisions of the Constitution the State values the dignity of
40 every person and guarantees full respect of human rights;
- 41 2. That the benefits of this specific program, though cannot be quantified,
42 surpass the value or the cost of the property given to the beneficiaries in
43 terms of the city's expense on health, safety, security and financial aid during
44 calamities.
- 45 3. That upon the adoption of this program on a particular housing project the
46 resultant effect would be to create a wholesome community and humanize
47 the conditions in the originally blighted areas;

4. That by being made to pay for the acquisition cost of the land under this program the money would be used to purchase additional area as part of the city's land banking program.

5. That this Program creates a real sense of security on the part of the beneficiaries who would no longer be threatened by actual demolition and thereby changing their attention to a more productive endeavour.

Whereas, Piso-Piso Program is a social policy and its objective is simply to provide permanency and complete solution to the housing problem of the poor and lowly-paid members of law enforcement agencies;

Whereas, the Local Government pursuant to its autonomy granted by the Constitution develops and implements this program by enacting Ordinance No. 5603-96, Establishing the Guidelines, Rules and Regulations for the Resettlement and Socialized Housing Projects of the City, and Ordinance No. 7597-2001, Establishing a Policy on Assistance for the Resettlement and Socialized Housing Program of the City;

Whereas, after consultation and serious consideration, there is a need to merge the provisions of the two ordinances and address some inadequacies in their provisions; thus, it is imperative to formulate and enact a comprehensive socialized housing program that will become the basic foundation in the resolution of the housing backlog of the marginal poor and underprivileged citizens of the city;

NOW, THEREFORE:

BE IT ORDAINED by the City Council (*Sangguniang Panlungsod*) of the City of Cagayan de Oro in session assembled that:

1 CAGAYAN DE ORO CITY COUNCIL
2 RESOLUTION NO. _____
3 SERIES OF 2016
4

5 A RESOLUTION PROMOTING, PROTECTING AND SUPPORTING
6 APPROPRIATE INFANT AND YOUNG CHILD FEEDING PRACTICES
7

8 **WHEREAS**, DOH administrative order no. 2005-0014 passed in 2005 is a policy
9 that will serve as a guide for health and nutrition workers and other concerned parties
10 on Infant And Young Child Feeding (IYCF) including appropriate feeding practices in
11 exceptionally difficult circumstances and ensuring the protection, promotion and support
12 of exclusive breastfeeding and timely and adequate complementary feeding with
13 continued breastfeeding;
14

15 **WHEREAS**, the National Demographic and Health Survey (NDHS) reported in
16 1993 and 1998 that under-five mortality declined from 54% to 48% yet malnutrition
17 remains a challenge in the Philippines, directly or indirectly responsible for around 60%
18 of deaths among children under five years old;
19

20 **WHEREAS**, the same survey showed that in 2003, early initiation of
21 breastfeeding within an hour after birth occurred in 54% of newborns, 13% of children
22 born five years before the survey were never breastfeed, only 33.5% of infants less than
23 6 months old are exclusively breastfed but exclusive breastfeeding in the Philippines is
24 very short for only less than a month at 16%;
25

26 **WHEREAS**, complementary feeding starts very early in the Philippines as shown
27 by the 2003 NDHS report. Among breastfeeding infants under two months of age, 14%
28 are given infant formula, 5% are given other milk, 6% each received other liquids and
29 solid or semisolid food. The same report shows that 87% of 6-7 months old infants were
30 given any solid or semisolid food;

31 **WHEREAS**, the decline of breastfeeding, compounded by inappropriate
32 complementary feeding practices, is a cause for alarm because of the consequent
33 under nutrition and risk for childhood mortality and morbidity;
34

35 **WHEREAS**, there is a need to strengthen the advocacy on appropriate infant and
36 young child feeding practices specifically on breastfeeding and complementary feeding;
37

38 **NOW THEREFORE**, on motion duly seconded, be it:

39
40 **RESOLVED**, that the rural health units, barangay nutrition committees and
41 concerned parties and agencies be encouraged to follow the policy guidelines on Infant
42 And Young Child Feeding;
43

44 **RESOLVED FURTHER**, that City Health Office personnel, Barangay Health
45 Workers and Barangay Nutrition Scholars in all barangays monitor, and advocate for,
46 the appropriate infant and young child feeding practices.
