ORDINANCE NO. 13178 - 2016

AN ORDINANCE CONSOLIDATING AND FURTHER AMENDING ORDINANCE NO. 9888-2005 AND ORDINANCE NO. 10046-2006, OTHERWISE KNOWN AS THE COMPREHENSIVE SOCIALIZED HOUSING PROGRAM FOR THE UNDERPRIVILEGED AND HOMELESS CITIZENS OF CAGAYAN DE ORO CITY, FORMERLY PISO-PISO PROGRAM, SO AS TO PROVIDE HEREIN ADDITIONAL GUIDELINES AND TO PROVIDE PENALTY FOR VIOLATION THEREOF AND FOR OTHER PURPOSES

Whereas, the previous socialized housing program spearheaded by the different national agencies failed to accomplish their mandate to provide socialized housing benefits to the targeted beneficiaries and this is due to the fact that the beneficiaries failed to pay the cost of the house and lot through monthly amortization whereby the beneficiaries ultimately sold the awarded house and lot and transfer to another area or other areas in order to squat; hence, there is a repeated cycle of the housing problem not only in the city but in all areas where there are displaced settlers;

Whereas, social justice as mentioned in the Constitution says that it is the duty of the government to promote social justice and make available decent housing and basic services in urban and resettlement sites;

Whereas, RA 7279 provides that it shall be the policy of the state to undertake in cooperation with the private sector a comprehensive and continuing urban development and socialized housing program to uplift the condition of homeless citizen in urban areas by making available to them decent housing and basic services.

Whereas, Section 13 of RA 7279 provides that the local government unit has the authority to provide other variations in their socialized housing program;

Whereas, per data from the City Shelter Plan CY 2014-2022 of Cagayan de Oro, the housing backlog and future housing needs of the population is 79,073 units in 2022 at a population growth rate of 2.69% annually;

Whereas, the emancipation of underprivileged and homeless people thru ownership of decent housing is a basic human right and people empowering on the following reasons;

1. Pursuant to the provisions of the Constitution the State values the dignity of every person and guarantees full respect of human rights;
2. That the benefits of this specific program, though cannot be quantified, surpass the value or the cost of the property given to the beneficiaries in terms of the city's expense on health, safety, security and financial aid during calamities.
3. That upon the adoption of this program on a particular housing project the resultant effect would be to create a wholesome community and humanize the conditions in the originally blighted areas;
4. That by being made to pay for the acquisition cost of the land under this program the money would be used to purchase additional area as part of the city's land banking program.
5. That this Program creates a real sense of security on the part of the beneficiaries who would no longer be threatened by actual demolition and thereby changing their attention to a more productive endeavour.

Whereas, Piso-Piso Program is a social policy and its objective is simply to provide permanency and complete solution to the housing problem of the poor and lowly-paid members of law enforcement agencies;

Whereas, the Local Government pursuant to its autonomy granted by the Constitution develops and implements this program by enacting Ordinance No. 5603-96, Establishing the Guidelines, Rules and Regulations for the Resettlement and Socialized Housing Projects of the City.

PAGE 2 OF 7, ORDINANCE NO. 13178-2016,

and Ordinance No. 7597-2001, Establishing a Policy on Assistance for the Resettlement and Socialized Housing Program of the City;

Whereas, after consultation and serious consideration, there is a need to merge the provisions of the two ordinances and address some inadequacies in their provisions; thus, it is imperative to formulate and enact a comprehensive socialized housing program that will become the basic foundation in the resolution of the housing backlog of the marginal poor and underprivileged citizens of the city;

Now, Therefore:

BE IT ENACTED by the City Council (*Sangguniang Panlungsod*) of Cagayan de Oro City in session assembled, that:

LADIES AND GENTLEMEN:

This refers of the Memorandum of Agreement (MOA) to be entered into by and between the City Government of Cagayan de Oro, the concerned barangay governments in the city, the beneficiary farmers associations and public schools in the rural areas of the local government unit (LGU) in relation to the implementation of the local government's Small Farm Reservoir Program, identified by the City Agriculture Office and which list is attached herewith.

The subject program intends to address the scarcity of water supply, particularly in the hinterland areas of the LGU during the time of dry spells and/or an *el niño* phenomenon, thereby minimizing their destructive effects to crops and farm animals, especially of the small farmers who have financial difficulty in acquiring the needed irrigation equipments for this purpose.

In this regard, we respectfully request for the passage of a Resolution authorizing the undersigned to sign the respective MOAs in behalf of the city. Respective draft copies of the MOAs are attached herewith.

Hoping for your urgent and favorable response on this request.

Thank you.

Sincerely,

Dear Atty. Villablanca,

This refers to the draft of the Memorandum of Agreement (MOA), to be entered into by and between the Local Government of Cagayan de Oro City, represented by the Hon. Mayor, Oscar S. Moreno and the beneficiary Barangay Governments, the Farmer Associations and Public Schools, respectively, in relation to the implementation of the Local Government's Small Farm Irrigation program in the rural areas of the city.

It is respectfully opined that based on the attached records, the City Council, thru, Ordinance No. 13081-2016 (page 79), already provided the needed budgetary appropriations for the Small Farm Reservoir program under the City Agricultural Productivity Office.

Further, I find the terms and conditions of the MOA consistent with existing laws and also promotes and enhances the present Administration's 8-point Agenda, particularly, the components on Poverty Alleviation, Agricultural Productivity and Partnership with the stakeholders.

Thank you.
