ORDINANCE NO. 14297-2022

AN ORDINANCE PROVIDING FOR THE COMMUNITY-BASED MENTAL HEALTH PROGRAM AND DELIVERY SYSTEM IN CAGAYAN DE ORO CITY AND FOR OTHER PURPOSES

OXPhereas, the World Health Organization (WHO) defines mental health as “a state of well-being in which the individual realizes his or her own abilities, can cope with the normal stresses of life, can work productively and fruitfully, and is able to make a contribution to his/her community,” and it reminds the public that mental health is more than just the presence of a psychiatric disorder/sickness but more importantly, also redounds to a positive condition of one’s mental well-being;

OXPhereas, initial reports from the Philippine Mental Health Association, Inc. (PMHAI) in Cagayan de Oro show that from January up to September of 2019 there are already 24 cases of suicides in the City, which accordingly is around 3.6 suicides per 100,000 populations, which figure is higher compared to the national and worldwide suicide rating for 2019 which is 3.2 per 100,000;

OXPhereas, the data for Cagayan de Oro further shows that 1 out of 4 suicides committed by young people below 18 years old, 33% of which is within the age range of 20 – 29 years of age, 21% from the age of 30–39, 92% of those committing suicides are male, and 88% are single individuals;

OXPhereas, mental health programs therefore should realize the significance of community efforts with multi-sectoral and multi-disciplinary participations and that, such take into consideration the promotion of the preventive, curative, and rehabilitative aspects of medical attention;

OXPhereas, psychiatric service user care continues beyond institutional facilities, which must be made available in general hospitals, health centers and homes, and relevant health care activities and interventions must be provided closest to where the need or the service user is;

OXPhereas, mental health is a growing concern among the youth, and that the problems on mental health involve not just traditional mental disorders but also the issue of target population, susceptible to psychological risks caused by adverse life experiences such as, disasters, near-death experiences, heinous and violent crimes, internal displacement brought about by religious and civil unrests and extreme poverty, as well as psychosocial stress of daily life, and the challenge of preserving a sense of well-being in these complicated times;

OXPhereas, Section 38 of R.A. 11036, otherwise known as the Philippine Mental Health Act, provides that Local Government Units (“LGUs”) shall formulate and develop regulations and guidelines necessary to implement an effective mental health care and wellness policy within its territorial jurisdiction, including the passage of a local ordinance on the subject of mental health, consistent with existing relevant national policies and guidelines;

OXPhereas, in the City of Cagayan de Oro, in particular, and the Philippines, in general, mental health services are clearly lacking, and both the human and financial resources are still inadequate to effectively address the mental health needs of the people;

OXPhereas, there is a need to include the mental health in the public health and hospital system in order to render available, accessible, affordable, and equitable quality mental health care and services to the constituents of the city, especially the poor, the underserved and high-risk sector of the local population;

NOW, THEREFORE:

BE IT ORDAINED by the 19th City Council (*Sangguniang Panlungsod*) in session duly assembled, that:

Dear Vice Mayor,

Greetings!

Respectfully endorsing herein attached document from the application of Ms. Kitchie Dallmann for the issuance of the LGU Resolution to form part of her application for Foreshore Lease Agreement located at Bonbon, this city.

Please be informed that in the initial inspection report, the said application was recommended to be put on hold because of the on-going negotiation for co-management agreement between DENR 10 and the City Government. Moreover, it was also advised that the proponent must submit the site development plan of the applied area.

Further, the said proponent has already submitted and complied the required Site Development Plan of the applied foreshores area and that the applied area is an existing and operational beach resort and must therefore secure a Foreshore Lease Agreement. Attached is the re-assessment inspection report conducted by the Joint Inspection Team.

For your information and appropriate action.

Dear Hon. Nacaya,

Greetings!

This pertains to your request for road repair in the Upper Macapaya-Camaman-an road, of this City.

In response to your request, on March 21, 2022, this Office has sent equipment such as road grader, road roller and dump truck in the aforesaid area. However, upon the repair team's arrival, the caretaker of the adjacent land informed the former that the landowner complained of the impending repair alleging that there is still an unresolved road right-of way issue thereat.

Hence, upon the instruction of Engr. Brandon Rey M. Pinto of the Maintenance Division, the equipment were pulled out until the road right-of-way concern is properly addressed.

For your information.

Dear Atty. Cabanlas:

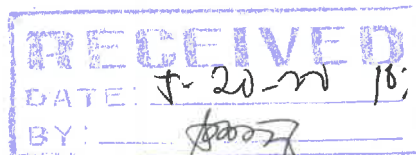

The Macapaya Hills Oro Settlers Homeowners Association, Inc. (MAHOSAI) would like to make a follow-up on the status of the Resolution No. 13293-2019 of the City Council requesting the City Legal Office to fast track the processing of the Road Right of Way (RROW) acquisition for the road opening projects in the city, especially the proposed Macapaya Hills road project.

It is crucial that this area where the access road must be concreted since no public utility vehicles would attempt to ply route on slippery with steepy slope and perilous to the riding public especially during rainy season. Both ends were already concreted and with 520 meters more or less for completion. Residents in Macapaya looks forward to its completion thus the road will be pushed through on the existing area at the Villusa Farm (Rochelle Torres Romblon, Victor Manuel B. Torres and Martha I. Lucero).

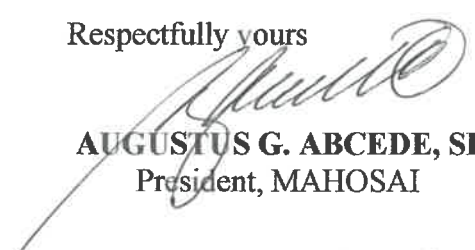

However, for almost twelve (12) years of our stay in Macapaya, we continue to bear the hardships and sufferings that brought so much inconvenience especially to the access of transportation that costs P50.00 per travel of single motorcycle (habal-habal). It is difficult for the riding public and accident frequently happens/occur particularly in the not concreted/not cemented road on rainy days.

Relative to the aforementioned, the undersigned and in behalf of the awardees/beneficiaries of Bayanihan Village Phase 1 and Phase 1A and residents of Macapaya, may we appeal and pray that the City Council will extend their heartily support, assistance and for any possible actions that the Torres - Romblon properties will be expropriated.

Thank you and God bless us all!

Respectfully yours

Gentlemen:

Subject: Alteration of Plan-Dev't Permit of Familia Verde

We are writing to you regarding Familia Verde, a residential project located in Barangay Lumbia, Cagayan de Oro City owned and developed by Pueblo de Oro Development Corporation (PDO).

PDO is applying for the Alteration of Plan-Development Permit, as we intend to change the 1-storey house models to economic housing particularly, phase 2 (see attached plan) consisting of 341 units. It will retain the original approved site development plan under BP 220 project classification.

The proposed alteration allows PDO the flexibility to offer additional housing product to address the demand for slightly bigger but affordable dwelling units.

Thank you and hoping for your appropriate action.

Very truly yours,

LADIES AND GENTLEMEN:

The undersigned respectfully requests the Honorable Body for the amendment of Section 1 of Ordinance No. 1413-2021, entitled "Request For The Amendment Of Ordinance No. 14113-2021, Entitled "Levying A Fixed One-Time Charge for the Accumulated Liability Representing Towing and Impounding Fees For Unclaimed Motor Vehicles Impounded in the Prior Years at the Roads and Traffic Administration ("RTA") at the Rate of P3,000.00 Per Unit Regardless of Vehicle Type and Category; Provided, that the Same Will Be Redeemed Within 180 Days from the Effectivity of the Ordinance", extending the period of redemption for another 180 days, and to include in its coverage all vehicles impounded by the RTA prior to 2022, which I hereby certify as an urgent legislative measure.

In anticipation of the impending end of the 180 days for the redemption of the impounded vehicles at the end of March 2022, the RTA wrote us a letter dated March 14, 2022, which recommended, to the undersigned to request the *Sanggunian* to amend above-mentioned ordinance and extend the redemption period to another 180 days, and also include in its coverage those vehicles impounded prior to 2022. Among the grounds mentioned in said letter in support of the requested amendments is the low response from owners of the impounded vehicles, as well as the dramatic increase in the number of newly impounded vehicles in 2021 alone reached to 392 units.

In this regard, the undersigned respectfully requests the appropriate action of the Honorable Body.

Thank you.

HON. OSCAR S. MORENO
City Mayor
Cagayan de Oro City

Sir,

Greetings!

This pertains to Ordinance No. 14113-2021, "Levying a fixed one-time charge for the accumulated liability representing towing and impounding fees for unclaimed motor vehicles impounded in the prior years at the Roads and Traffic Administration (RTA) at the rate of ₱3,000.00 per unit regardless of vehicle type and category; Provided, that the same will be redeemed within 180 days from the effectivity of the ordinance".

Attached is a copy of updated report and result on implementation of AMNESTY PROGRAM for unclaimed impounded motor vehicle pursuant to the above City Ordinance.

As a result of the implementation of above stated ordinance, the office of the Roads and Traffic Administration have released (36) impounded motor vehicles to those who avail the said program. With this, the city have collected an amount of (Php.108,000.00) for the program and also collected (Php.56,000.00) for the dormant old records of violations. However, it was observed that out of 1432 inventoried motor vehicle only (0.025 or 2.51%) of the motor vehicle were removed from our impounding area. The low turn-out of can be attributed to the following reason.

- The owner of the motor vehicle are not aware of the program;
- The owner of the motor vehicle are not interested to claim due to the condition of vehicle and;
- The owner transferred to other address;

Please be informed that for the year 2021, there were 364 impounded motor vehicle added to our impounding area, wherein it resulted to congestion of two designated impounding areas (Kauswagan and Pamalihi).

In view of the above, there is a need to continue the program to give the opportunity to every owner of impounded unit to redeem/claim the respective motor vehicles to those who were not able to be reached by this program.

With this, the undersigned would like to request and recommend for the extension of the implementation of the said amnesty program to include those that were impounded in the year 2021, before the final and proper disposal procedure will be made in accordance with existing law.

For your information, consideration and approval.

Respectfully yours,

THE HONORABLE MEMBERS OF THE SANGGUNIANG PANLUNGSOD
City of Cagayan de Oro

Thru : **HONORABLE RAINEIR JOAQUIN V. UY**
Vice Mayor and Presiding Officer

Dear Sir/Mesdames:

Greetings!

This Office respectfully endorses to the august body, *for the enactment of a legislative measure*, reorganizing the City Economic Enterprises Department (CEED) and East-Westbound Terminals and Public Markets (EWTPM) and other economic enterprises projects of this city to be renamed as **City Economic Enterprises Business Development Administration (CEEBDA)**.

The proposed ordinance entitled 'AN ORDINANCE ESTABLISHING THE CITY ECONOMIC ENTERPRISES BUSINESS DEVELOPMENT ADMINISTRATION (CEEBDA), ENHANCING THE COMPOSITION OF ITS MANAGEMENT COMMITTEE AND ADVISORY COUNCIL, AND EXPANDING ITS ROLE IN EXPLORING ECONOMIC AND BUSINESS DEVELOPMENT OPPORTUNITIES AND MANAGING OTHER INCOME ACTIVITIES, PROJECTS AND ENDEAVOURS OF THE CITY THROUGH THE AMALGATION OF THE CITY ECONOMIC ENTERPRISES DEPARTMENT, THE EAST AND WESTBOUND TERMINALS AND PUBLIC MARKET MANAGEMENT, AND OTHER ECONOMIC ENTERPRISES OF THE CITY, AND FOR OTHER PURPOSES', is also enclosed in this request.

The pandemic has called us to be more responsive to the growing needs of the city as well as to be more innovative in looking for ways to increase the income of the economic enterprises of the city government. The reorganization is thus, aimed at expanding the coverage of both departments to improve their revenue generating capability.

Salient features of the ordinance are the following:

1. There shall a CEEBDA Central Office to oversee the entire operations of the economic enterprises.
2. **There shall be one (1) department head and two (2) assistant department heads, one will handle Administrative Division and the other will head the Economic Enterprises and Business Operations Division. Considering however that at present there are two (2) department heads (CEED & EWTPM), one will act as Department Head while the other shall be reappointed as Assistant Department Head with the same salary grade (SG 26) as that of the Department Head; however, once the position is vacated, the hiring rate will be SG 24 as that of Assistant Department Head. All permanent employees will not be affected by the reorganization but only reappointed.**
3. There shall be a creation of thirty (30) additional positions but is recommended to be calibrated on a yearly and priority basis.

And while the construction of the City Memorial Park is undergoing, its inclusion in the ordinance will be deferred although still an economic enterprise.

Thank you.

Truly yours,

III. Requirements as to Compliance to Civil Service Laws, Rules and Regulations

Appointments in the Civil Service shall be made only based on merit and fitness principle enshrined in the 1987 Philippine Constitution. Relevant in that provision is also the Equal Employment Opportunity Principle of the Civil Service Commission. Hence, its qualification standards and other relevant laws must be strictly followed when filling up said positions.

Please note also of observations on the proposed positions:

- Correct position title should be City Government Department Head II. Its salary is 26. But if the intended position is for somebody to act as Assistant General Manager (per its functions), it is recommended to use the position title of City Government Assistant Department Head II with salary grade 24. The title Assistant General Manager is likewise not found in DBM LBC 137 s. 2021.
- The proposed position title of Supervising Transportation Development Officer is reserved only for the national government. The authorized position title for LGUs is Supervising Transportation Regulation Officer.
- Available Welder positions have salary grades of 4, 6 and 9 for Welder I, Welder II and Welder Foreman, respectively. There is no salary grade 2 for a welder position.
- There is no position title as Sanitation Foreman, Collector, or Cleaner. Specific position titles are required and must conform to the CSC Qualification Standards and DBM LBC 137 s. 2021.
- For the City Memorial Park, there is no particular position in the IOS for a mortician or embalmer. Recommended immediate remedy is to hire a worker on contract of service and his salary be comparable to the private sector and in the next year, recommend a creation of a specific position for a mortician/embalmer, subject to the approval of the Department of Budget and Management and the Civil Service Commission for its qualification standards.

- Only one (1) position will be affected, the City Government Department Head II of the East-Westbound Terminals and Public Market. Thus, pursuant to RA 6656, said position will be downgraded to SG 24 or City Government Assistant Department Head II but the salary will remain as SG 26 considering the presence of an incumbent. It will also be abolished once vacated.

IV. Conclusion

This Office is also taking note of the immense economic effect caused by COVID-19 pandemic which will most likely affect the budget that we will have for CY 2022 and onwards. The proposed reorganization of the East-Westbound Terminals and Public Market and City Economic Enterprise Department necessarily creates additional positions subject however, to the budgetary considerations as may be determined by the Local Finance Committee.

Furthermore, there must be no impairment of the security of tenure of existing personnel of said departments.

Finally, the Honorable City Mayor will also be informed of this proposal, for his consideration and approval.

Dear Councilors Seno and Magtajas-Daba,

Greetings!

The Oro Youth Development Office is respectfully submitting the final version of the proposed Out of School Youth Development Alliance Ordinance.

With over a year of operations as an alliance, this legislation hopes to institutionalize Executive Order 126 - 2020, where our partnership with local and national agencies for out of school youth development will be sustained - beyond the term of the Moreno administration and partnership with USAID - EDC. This proposed ordinance was already refined through the comments and suggestions from the joint committee meeting last 27 May 2022 and from the City Mayor, Hon. Oscar Moreno.

With this, we would like to request from your good office that this becomes a **priority legislation** of the 19th City Council, as this will further enhance our work for the Cagayan de Oro Youth.

We would be glad to discuss this further during the committee hearings soon. For questions, please feel free to contact the undersigned via mobile at 0917-5570731 or email at oroyouthcon@gmail.com. Thank you very much for your constant support and for always championing our cause for the youth.

LAPID, COVERING THE COLLABORATION OF THE PARTIES FOR THE TEMPORARY OPERATION AND MANAGEMENT BY THE LGU-CDO OF THE CAGAYAN DE ORO CONVENTION CENTER (CDOCC), UNDER THE TERMS AND CONDITIONS PROVIDED THEREIN, UNTIL A THIRD-PARTY PARTNER IS IDENTIFIED, TO ENSURE THE PROPER MAINTENANCE AND UPKEEP OF THE FACILITY, WHICH WE HEREBY CERTIFY AS AN URGENT LEGISLATIVE AGENDA

LADIES AND GENTLEMEN:

The undersigned respectfully requests the Sanggunian to grant him the authority to represent the Local Government Unit of Cagayan De Oro ("LGU-CDO"), and to enter into and sign the Memorandum of Agreement ("MOA") with the Tourism Infrastructure and Enterprise Zone Authority ("TIEZA"), to be represented by its Chief Operating Officer, Mark T. The MOA will allow TIEZA, the owner of CDOCC, to turn-over to the City and for the latter to temporarily operate, manage and maintain the CDOCC in the interim period, thereby offer the facility as venue of events, and in turn derive income rental fees to be shared by the parties. Under this partnership, the LGU-CDO can also take pride in showcasing a modern facility comparable to the renowned events venue in the other places of the country today.

In this regard, we request the appropriate action of the August Body on this matter. A copy of the MOA is attached herewith for your perusal.

Thank you for your kind attention.

Dear Hon. Councilor Jay Pascual,

This pertains to the draft Memorandum of Agreement (MOA) to be entered into by the City Government of Cagayan de Oro, to be represented by Hon. Mayor Oscar S. Moreno, as the local chief executive, with the Tourism Infrastructure and Enterprise Zone Authority ("TIEZA"), to be represented by its Chief Operating Officer, Mark T. Lapid, covering their partnership in the turn-over and temporary operation, management and maintenance of the TIEZA-owned Cagayan de Oro Convention Center ("CDOCC") by the local government unit ("LGU"), prior to the identification of the third-party partner.

This an important collaboration between the national government, represented by TIEZA and the LGU in the commencement of the operation of the CDOCC in the interim period that the third-party partner has not yet been identified. Doubtless, the CDOCC, being a modern event facility fitted out with the state-of-the-art gadgets and equipment can readily compete with the other established event venue. This would make the City as an attractive destination for conventions and sporting events, which would help spur economic activity and promote local tourism. The MOA also provides for a sharing scheme between the parties which is reasonable in relation to their respective duties and responsibilities.

After a careful review of the draft of the MOA, I find its provisions to be in order.
